MCADOO REFUSES TO GO BEFORE THE CONVENTION

MUST REHABILITATE HIS FINANCES TO PROVIDE FOR HIS FAMILY.

New York, June 18.—William G. McAdoo, who has been considered by party leaders as one of the principal candidates for the Democratic presidential nomination, announced tonight he could not permit his name to go before the San Francisco convention. "This decision," he said, "is irrevocable as the path of duty seems to me clear and unmistakable."

His decision was made known in a telegram to J. M. J. Shouse, Democratic delegate at large from Kansas, who had telegraphed Mr. McAdoo that sentiment throughout the country was rapidly crystallizing in his favor, that his friends would like to have him permit his name to be placed before the convention and that they were certain he could be nominated and elected.

Mr. McAdoo's telegram follows: "Unable to Reconsider Position. Your telegram of June 19 requires an explicit and immediate answer. I am profoundly grateful to you and my other generous friends, who, with such spontaneity and unselfishness, have, without my solicitation, advocated my nomination. To cause them disappointment distresses me deeply, but I am unable to reconsider the position I have consistently maintained, namely, that I would not seek the nomination for the presidency. I cannot, therefore, permit my name to go before the convention. This decision is irrevocable, as the path of duty seems to me clear and unmistakable."

W. G. MCADOO

"The considerations which compelled me to resign as secretary of the treasury and director general of railroads after the armistice in 1918, in large measure still prevail. I must have a reasonable opportunity to rehabilitate private affairs and to make that provision for my family which, in time of peace, is once the sacred duty and the cherished desire of every right-thinking man. Having been out of office less than 18 months, I have not yet been able to accomplish these objects. Moreover, a presidential campaign imposes upon the 'candidates' an unavoidable expense which I am unable to assume and which I do not want my friends to assume."

Thinks Success Certain.

"The record of the recent Republican Congress and the platform and candidates of the Republican national convention make Democratic victory in the next election almost certain. Victory will be certain if the Democrats adopt a straightforward, unequivocal, unreserved, honest and liberal platform and put forward candidates who will command public confidence. We must stand squarely for ratification of the league of nations without debilitating reservations and we must be direct and explicit on the important domestic issues. The times are not propitious for equivocation or for appeals to blind passion or to doctrines of hate, or for reactionaries and those who would shut their ears to the great and swelling voice of humanity which cries aloud for the restoration of peace and good will at home and in the world, and for the oppor-

GRAND JURY FAVORS IMPROVEMENT OF COUNTY HOME.

In its report to Hon. P. A. McElroy, judge presiding over the term of Superior court, the grand jury recommended that the county commissioners take immediate steps toward renovating and improving the county home in order to make it more habitable for the inmates during the approaching winter. The jury expressed the opinion that building conditions at present would not justify the undertaking of constructing a new and modern home and the recommendation was made that electric lights, water, sewer and steam heat be installed until a better opportunity for building arrived.

The report, in addition to mentioning the number of bills passed upon by the body, indicated that the jury had visited the other institutions of the county and offices in the court house and reported favorable upon their condition.

AMERICAN LEGION TO DECORATE GRAVES JULY 4.

At a meeting of the executive committee of the Henry K. Burner Post of American Legion, which was held Friday night, it was decided that the members would march in a body to Greene Hill cemetery on Sunday, July 4, and decorate the graves of all men who died in service during the world war. It was also decided at this meeting that the legion would aid in the organization of a woman's auxiliary to the local organization.

A meeting of the women eligible to membership in the auxiliary will be held Tuesday, June 29, at which time active steps will be taken toward organization. Mrs. Dorothy Hayden, of this city, who served overseas as a nurse, will direct the plans for the women's organization. It was announced that the next meeting of the Henry K. Burner Post would be held in the court house on Friday, July 2. All service men, whether members of the legion or not, are invited to attend.

NEWELL BYERLY KILLED NEAR WHITE OAK.

The lifeless body of Newell Byerly, a young white boy of Thomasville, was found on the main line of the Southern Railway tracks, near White Oak, Friday night. The remains were sent to Thomasville Saturday afternoon, the parents of the lad residing in that city.

The body was identified Saturday morning by an uncle of young Byerly. He notified the father and upon his arrival he further identified the remains as that of his son.

The lad was sixteen years of age and it is reported that he had run away from the home of his parents. He had apparently attempted to alight from a fast moving train when his tragic death resulted. He is a son of Mr. and Mrs. Albert Byerly, of Thomasville.

Files Request For Second Primary.

Raleigh, June 18.—W. L. Brock has notified the state board of elections he will not ask for a second primary in the seventh district and W. C. Hammer has accordingly been certified as the Democratic candidate for Congress.

Formal request for a second primary was made to the board to-day by O. Max Gardner, candidate for the Democratic gubernatorial nomination against Cameron Morrison, who led him in the first primary.

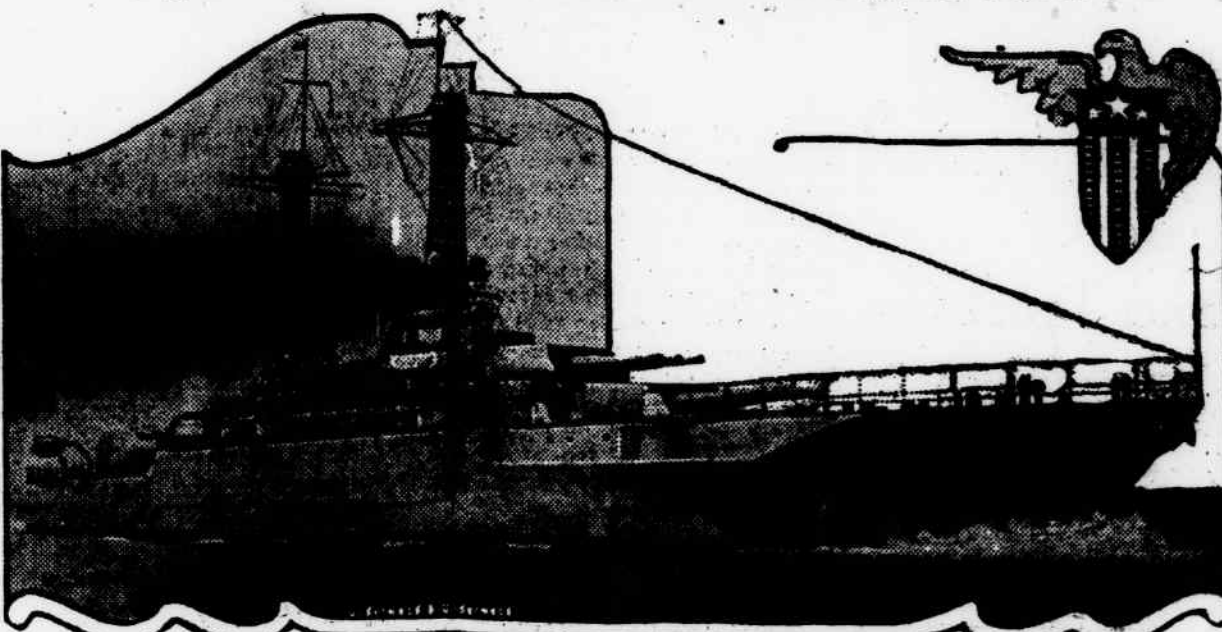

Opportunity to live in an atmosphere of justice, progress and prosperity.

"I feel sure that my friends will appreciate the sincerity and propriety of my position and that they will do everything in their power at San Francisco to assure the continuation of the enlightened principles, and liberal policies of Democracy. These are more than ever essential to the security and well-being of the American people."

Glass For McAdoo, Still.

Senator Glass, of Virginia, in a statement to the Associated Press tonight declared he "still favored" the nomination of William G. McAdoo by the Democratic party for President, notwithstanding Mr. McAdoo's decision not to permit his name to be presented at the party's national convention.

"Queen of Navy" Is Best Shot in Pacific Fleet

The U. S. S. Idaho, called the "Queen of the Navy," established a record during the Pacific fleet target practice, when her gun crews made nine direct hits in 36 shots at long range with the very latest of the United States navy's superdreadnaughts. She has a main battery of twelve 14-inch naval rifles and is fitted with the latest antiaircraft and submarine protections.

D. M. STEVENSON FAILED TO APPEAR SATURDAY

FOUND GUILTY FRIDAY NIGHT AND BEAT IT OVER NIGHT—SENTENCED PASSED.

D. M. Stevenson, who was convicted by a jury late Friday night on a charge of conducting a gambling house, failed to make his appearance Saturday morning when court convened. Stevenson was charged with retailing in three cases and keeping a gambling house. He was under a bond in the sum of \$1,000 which will probably be forfeited by his failure to appear Saturday.

D. F. Fields pleaded guilty to having more liquor in his possession than the law allows, and was sentenced to serve six months on the county roads.

Lacy Scott, found guilty on two charges of violating the prohibition law, was fined \$50 and costs for the first offense and sentenced to six months on the roads for the second, the latter to be effective only in case the defendant is found in the state on July 1 or at any time thereafter.

Floyd Craven, convicted of operating an automobile in a careless and reckless manner, was fined \$50 and costs.

Lacy Luther was given four months on the county roads for retailing liquor.

For larceny and receiving Clem Graves was fined \$100 and costs.

During the term which concluded Saturday night a large number of cases were tried but a score or more continued until the criminal term beginning September 20. The cases against Roy and Eugene Alford, negroes, charged with the murder of J. E. Fletcher, a High Point merchant, were also continued for lack of time. The negroes will be held in jail awaiting the next term of court.

Judge P. A. McElroy departed Saturday night for his home in Marshall. The term just concluded was the last that he will preside over in this district until six years hence, he having conducted the courts of this district during the past six months. Judge Bis Ray will preside over the courts of this district during the fall terms.

High Point Man Drowned.

Lexington, June 17.—J. Lindsay Gallimore, an employee of the Erlanger mill here, was drowned in Abbot's creek about a mile east of the city at 1.30 this afternoon. The body was recovered about two hours later by T. E. Wagner, of Greensboro, an expert diver, who appeared on the scene after efforts at recovery had failed.

Gallimore was in swimming with 10 or 12 others when he is reported to have sunk without a struggle and did not rise again.

The dead man was about 30 years old and leaves a wife and three children. He is a son of George Gallimore, of High Point. It is said that six or seven men have lost their lives in this creek in recent years, some of them at this point and a number of others about a mile down stream.

FAATL AUTO ACCIDENT ON HIGH POINT ROAD

MISS ANNIE JACKSON KILLED LAST NIGHT WHEN MACHINE OVERTURNED.

Miss Annie Jackson, a young lady of this city, met almost instant death last night when an automobile in which she was riding turned turtle on the High Point road at a point about three miles from High Point. The accident occurred at 10 o'clock last night and Miss Jackson died before she could be rushed to a High Point hospital.

The machine was being driven toward High Point and it is reported that the driver lost control on the slippery road while turning a sharp curve. C. L. Hutchinson, reported to be an occupant of the car, could not be found after the accident, and the extent of his injuries were not known, while Miss Nettie Lethco and a Mr. Cross, who were also occupants of the machine, received painful though not serious injuries. Mr. Cross was taken to High Point where a severe cut across his head was dressed, but it was not necessary for him to remain in the hospital. Miss Lethco was able to return to this city last night.

Miss Jackson was about 30 years of age and was employed in a local cigar factory. She is a native of this county, her parents residing in Guilford, and she had been working in the city for only a few months. The body was brought to this city and will be conveyed to the home of her parents for burial.

Wants to Pay Long Standing Debt.

Shreveport, La., June 19.—Sixty-seven years ago, while in Shreveport, C. F. Rogers, young engineer, of Columbus, Ga., borrowed enough money from E. C. Snow, stage line agent, to return home. For various reasons, including the civil war, the money was not repaid and now he is trying to find heirs of his benefactor.

The story is related in a letter received to-day by Dr. George S. Sexton, pastor of the First Methodist church here, whose assistance in seeking Snow's heirs is asked by Rogers, who now lives at Letcha-chee, Ala.

Another Death at Pensacola.

Pensacola, Fla., June 17.—The second death from bubonic plague in this city occurred to-day when Oscar Green, the negro ice wagon driver, attacked about ten days ago, succumbed. No other cases had been reported to noon to-day. An energetic campaign for the eradication of rats was started to-day in all sections of the city.

Twin Calves Given Prominent Names.

Greenville, S. C., June 18.—John M. Phillips, formerly mayor of West Greenville, to-day learned that one of his cows gave birth to twin calves nine days ago and the pair, which he named McAdoo and Cox, are doing nicely.

Mr. Phillips' stock farm is in the upper section of Greenville county. This county has made remarkable strides in the past few years in stock raising.

TOM JOHNSON SENTENCED TO THE ELECTRIC CHAIR

JURY RETURN VERDICT OF GUILTY AFTER FIFTEEN MINUTES.

Tom Johnson, negro, charged with having committed a criminal assault upon Mrs. Zara Sartin, was sentenced Thursday afternoon to pay the extreme penalty for his crime, the court adjudging that he be put to death by electricity on the 20th day of August. The testimony was concluded Thursday morning and counsel for the state and defendant consumed about two hours in arguing the case before the jury. The case was submitted to the jury in the early afternoon and within fifteen minutes after they had retired the twelve men returned and pronounced as their unanimous opinion that the defendant was guilty.

Johnson showed no visible emotion upon the rendering of the verdict, nor was there any appearance of particular interest on his part when judgment was pronounced. Judge P. A. McElroy, who pronounced sentence, showed that he was affected by the responsibility placed upon him in passing sentence more than did the negro who received it. When the judge had spoken the fatal words, decreeing that Tom Johnson should be put to death by electricity in the state prison on the 20th day of August, the prisoner was removed to the county jail, and a wistful smile was the only facial expression that he displayed.

Johnson later gave notice of appeal to the Supreme court, through his counsel, and the application of the law in the trial of the case will be reviewed by the highest court of the state. The delay necessitated by the appeal to the Supreme court will automatically defer the date of his execution, and even in the event that the judgment of the Superior court is affirmed it will lengthen his mortal days by several months.

GOVERNMENT EXPENSES FOR THE YEAR TWENTY BILLIONS.

Washington, June 17.—Governmental expenditures from July 1, 1919, to May 31, 1920, amounted to \$20,775,535,585, according to a statement tonight of the treasury. Expenditures were heaviest during September when \$4,475,937,701 was spent, and lightest in November, when \$611,301,764 left the treasury.

Exclusive of \$1,503,047,752 expended by the treasury, \$951,224,703 charged to federal control of railroads and the transportation act of 1920, was the largest single item of departmental expenditure.

The navy department stood third in disbursements for the period with a total of \$723,717,269 and the department of labor last with \$5,064,246. White House expenses was listed as \$6,702,830 and congressional at \$17,681,120. Payments on the public debt amounted to \$14,846,554,373.

Smokehouse and Bacon Burned.

Spencer, June 17.—The dwelling of C. H. Waller, a well known farmer of the Trading Ford section, near Spencer, was burned shortly after midnight Wednesday together with nearly all the household effects. A smokehouse with 600 pounds of fine bacon was also burned at the same time bringing a heavy loss to Mr. Waller. The family was awakened about 2 A. M. The kitchen was almost gone by that time and the inmates of the home had to hurry to save themselves. Only a small portion of the furniture was saved. The origin of the fire is unknown. It is understood there had been no fire in the kitchen for several hours and there is no clue as to how the blaze gained such headway.

Hoover Swallows Ticket.

Washington, June 18.—Herbert Hoover to-day announced formally that he will support the ticket nominated by the Republican national convention at Chicago.

had previously threatened to kill him as well as two other men who figured in the confinement proceedings.

The town and county are deeply interested in the welfare of Dr. Rodgers, who is an ex-service man and who possesses numbers of friends in his native community.

PRESIDENT SIGNS THE WATERPOWER MEASURE.

Washington, June 18.—The waterpower development bill, ten years in the making, finally has become law.

Announcement that President Wilson had signed the measure prior to June 11, was made late to-day at the White House. At the same time it was announced that he had failed to sign the joint resolution repealing most of the war-time laws, and the Underwood resolution providing for negotiations with Canada relative to the embargo on the shipment of wood pulp to the United States.

Another bill which failed to receive the President's approval would have authorized the war department to transfer motor equipment to the department of agriculture for road construction and other work.

Besides the waterpower measure, the President signed several bills, passed in the closing days of the recent session of Congress. They include an act authorizing the enlistment in the military forces of non-English speaking citizens and aliens; an act paying for a set of false teeth for Michael Masgarvey and five bridge boys.

No explanation of the delay in announcing the President's approval of the waterpower measure was made. The White House statement said:

"The President having been advised by the attorney general in a formal opinion that the adjournment of Congress does not deprive him of the ten days allowed by the constitution for the consideration of a measure, but only in case of disapproval of the opportunity to return the measure with his reasons to the house in which it originated, has signed the following bills, each within the ten day period, of course. The bills not signed failed to become law under the usual practice."

TIED TO RAILROAD TRACK; LOSES HAND AND LEG.

Excelsior Springs, Mo., June 17.—George M. Underwood, who lost a hand and a leg last night when bandits tied him to a railroad track five minutes before a train passed, to-day told the story of his experience and denied that the men had any motive that he knew of except robbery. Underwood is expected to recover.

"An hour or so after dark," he said, "as I was walking to the station to catch a train, for Carrollton, Mo., my home, two men with a touring car forced me into the car and took my match and \$70. They drove south, and one of the men said: 'Let's kill the ———.' 'No,' returned the other, 'we will tie him to the railroad track.'"

"We stopped at a pile of barbed wire and one of the men got several long strands of it. We stopped again and I was forced to get down on the track."

"A few minutes later while I was struggling to escape I heard the rumble of a train. I tried to scream, but rags in my mouth throttled my voice. As the engine came within a few rods of me, I threw all my strength into another attempt to escape. My right hand was free at last and I tore the gag from my mouth screaming. Then I loosened my right leg and swung partly free from the track, but my left foot and hand were too tightly bound to be released."

"Something seemed to sting my entire body. I suppose I fainted for a moment, but soon I was screaming again. A farmer came from somewhere and helped untie the barbed wire which was still partly strung around my body."

SHEEP-KILLING DOGS COST COUNTY GOOD SUM.

Asheville, June 18.—Sheep-killing dogs come high in Henderson county, for the county commissioners have just allowed Thomas D. Westerfelt, of Fletcher, \$460 for 21 sheep killed by dogs said to belong to George Haywood and John Edney. The county board appointed a commission composed of Harry Roberts, W. J. Baldwin and Frank Smith, to investigate the matter, and report back what damages should be paid. The dogs, according to Mr. Westerfelt visited his pastures on two occasions, killed 19 sheep the first night and 11 the second night.

The ownership of the dogs are denied responsibility and it is possible, the commissioners state, that they will be compelled to pay the money out of the county funds and not be able to collect it from the rightful owners of the dogs.

PLANT A SECOND CROP OF IRISH POTATOES.

Raleigh, June 17.—Mr. W. H. Chamberlee, Wake county farm agent, has a plan for helping guard against a food shortage. It is to plant a second crop of Irish potatoes. They can be planted from the last of July to the middle of August, says Mr. Chamberlee, and the seed should be dropped from twelve to fifteen inches apart in order to produce the best results.

This crop, Mr. Chamberlee states, appreciates good soil but will produce fairly well on poor soil if it is well drained, broken and given a thorough harrowing to get it fine. "The rows," Mr. Chamberlee continues, "should be run off three feet wide and moderately deep. This should be done just before planting. A high grade fertilizer should be used at the rate of 1,200 to 1,500 pounds per acre. The plough should then be run through the furrows to mix the fertilizer with the soil. Popular varieties, if cold storage is used, are Bush Blaw, Green Mountain and Triumph or "Bliss." If home grown seed are used, the crop should be dug when the potatoes have matured. The seed should be stored in sheds or in shady places to protect them from bright lights. It is essential to keep the potatoes dry and well scattered; this will prevent decay. When the potatoes turn green and begin to sprout they should be planted with two good eyes each. Sulphur dusted on the potatoes after they have been cut will aid in preserving moisture.

"When the crop has finished its growth it is necessary to remember to harvest on a cloudy day or very late in the afternoon as the eyes on the potatoes are very sensitive to strong light.

"In selecting land for this crop, my advice is to make it of sufficient size so as to be able to sell some after having enough for family needs. This crop is now selling for \$1.50 per peck, or \$6.00 per bushel.

"The safety and security of our southern people depend greatly upon the production of food crops necessary to feed the people."

TWO DEATHS FROM THE BUBONIC PLAGUE REPORTED.

Galveston, Tex., June 17.—The death of a 17-year-old youth here yesterday after a brief illness "probably was due to bubonic plague," according to a diagnosis made public tonight by Dr. M. F. Boyd, professor of bacteriology of the State Medical College. At a conference held to-day this diagnosis was confirmed by federal, state, county and city health officers. An immediate effort for the extermination of rats and mice was decided upon.

Following a conference late to-day presided over by Major H. O. Sappington, it was decided to ask Surgeon General Cummings, at Washington, to dispatch experts here to help prevent possible spread of the disease.

In a statement to the public tonight the committee in charge asks citizens to catch all rats and mice possible and deliver them to the city authorities for examination.

Uncle Sam Wars on Mice.

Middleton, N. Y., June 18.—A large manufacturing concern here has just received an order for 8,500 mouse-traps for the United States government. The order comes from the quartermaster general of the army at Washington. It is the first instance on record of an order of this kind being placed by the government.

INQUIRY ORDERED INTO THE DULUTH TRIPLE LYNCHING.

Duluth, Minn., June 17.—With the departure tonight of the two companies of national guardsmen sent for riot duty, home guards and naval militia took over patrol of the district where last night a mob of 5,000 lynched three negroes suspected of complicity in an attack on a white girl.

An investigation was started today by county officials preliminary to the convening tomorrow of a special grand jury. It was also stated Gov. Burnquist would institute a state inquiry.

There were no untoward demonstrations to-day, and thirteen negroes, all roustabouts with a circus that appeared here Monday, were under guard in the county jail, held in connection with the attack on the girl.

The girl victim is suffering from a nervous breakdown, her father said to-day, but she is expected to recover.

Tried to Attack South Bend Girl.

South Bend, Ind., June 17.—Negroes employed by the same circus as the three who were lynched in Duluth last night, following an attack on a white girl, attempted to attack Helen Penrod, of South Bend, when the show was in this city June 7. The assailants of the South Bend girl escaped, being hidden by companions, the police said to-day.

"THE LEAGUE IS WELCOME ISSUE," SAYS PRESIDENT.

New York, June 17.—President Wilson, in a special interview to the New York World, to be published tomorrow morning, said he was "extremely confident that the Democratic convention at San Francisco will welcome the acceptance by the Republican party to make the league of nations the issue in this campaign."

"I am even more confident," the President said, "that such referendum will confirm my faith that the American people desire it above anything else that a political party now may provide, and that they will condemn the Republican policy of denying them the consummation of their hopes. No one will recommend a referendum on that issue more than I."

"I suppose I should feel flattered," he said, "over being made the issue of the presidential campaign by the Republican party. But even the effort of the platform makers at Chicago to confer the distinction of being not only a burning, but a living issue by camouflaging and obscuring the real issues will not deceive the people."

"The processes by which the Chicago platform was accomplished seemed to me to have been essentially and scientifically Prussian in inspiration and method. Instead of quoting Washington and Lincoln, the Republican platform should have quoted Bismarck and Bernhardi."

Wants No Wet Candidate.

Fargo, N. D., June 18.—"No wet governor from New Jersey will ever be the Democratic candidate for President," declared William J. Bryan, speaking in Fargo last night under the auspices of a local lecture association. Mr. Bryan by name also singled out Governor Cox, of Ohio, and Senator Hitchcock, of Nebraska, as "wets."

Mr. Bryan declared that he was taking a dry plank and a "prison term for profiteers" plank to the San Francisco convention.

To Invite Harding to Asheville.

Asheville, June 20.—Judge J. C. Pritchard has gone to Washington carrying a special invitation from western North Carolina Republicans to Senator Warren G. Harding, of Ohio, Republican presidential candidate, to come to Asheville to spend his vacation. Judge Pritchard is personally acquainted with the Ohio senator and it is believed that his influence in urging the nominee to come here will be worth a great deal.

Bear Meat on Sale

Asheville, June 20.—Bear meat is on sale in several western North Carolina towns as a result of the hunting trip of Dolp Wilson, of Busick, McDowell county, who has just returned from Rancey county, near here, where he killed two of the largest black bears seen in the mountains of western North Carolina for many years.

Women Camp Followers Massacred.

Mexico City, June 18.—Three hundred women camp followers attached to the government forces have been killed by the orders of Francisco Villa, the bandit, according to El Democrata to-day, quoting Jacinto Trueba, a wealthy merchant of Jimenez, state of Chihuahua. Excelsior prints a similar story but does not give the source of its information.

Whols Right?

The following is a partial list of candidates who answered the farmer-labor joint questionnaires, or somewhat similar questionnaires, submitted by affiliated organizations:

For President.

William G. McAdoo.
Mitchell Palmer.
James M. Cox.

PERSHING PAYS TRIBUTE TO LEE AND JACKSON.

Lexington, Va., June 18.—While veterans of the Civil and world wars stood at attention, General Pershing to-day laid a wreath on the tomb here of Gen. Robert E. Lee. After a brief address during which he referred to the Confederate commander as one of the world's greatest generals, he visited the nearby grave of Gen. Stonewall Jackson.

Introduced by Dr. Henry Louis Smith, president of Washington and Lee University, Gen. Pershing spoke of General Lee as a "Christian gentleman whose character and life in war and in peace Americans should emulate."

In eulogizing General Jackson, General Pershing declared that the world looks on him and his accomplishments with admiration and awe. "The military tactics of General Stonewall Jackson are studied throughout the world," General Pershing added.

The ceremonies at the cemeteries were conducted under the auspices of the Lexington post of the American legion.

While in Lexington General Pershing was the guest of Virginia Military Institute and the Washington and Lee Press Club.

Popular Scenery.

"What part of the scenery around here seems to attract the most attention?"

"Well," said the farmer, "I've studied the borders pretty close. I should say it's the ham and eggs on the breakfast table."—Sovereign Visitor.

NOTICE.

To the Voters of Guilford County: You are hereby notified that there will be a second primary election at the usual voting places in Guilford county on Saturday, July 3rd, 1920, to choose Democratic nominees for Governor, State Auditor and Associate Justices of the Supreme court. The second primary election will be conducted in the same manner as the first primary.

THOS. C. HOYLE,
County Chairman.

MONDAY, JUNE 21, 1920.

Men of long experience without learning, have often proved of more benefit to society than learned men without experience.—Bacon.

It's a mighty good time for those suffering with a sweet tooth to visit the dentist.

The world is gradually returning to normal conditions, but its running on a flat tire.

If some of these fads will only get a few of the I. W. W. into overalls the movement will not have been in vain.

"With 'spuds' retailing at ten or fifteen cents per peel, they should make an attractive design for my lady's window box.

The original producer receives \$7.37 for the wool in a suit of clothes that sells for \$75. It's a long journey from the back of a sheep to the goat's.

The weather man seems to be having great difficulty in greeting the situation under control, but, nevertheless, we are still betting on him—to the extent of 2 cents.

The government statistics show that there are 11,000,000 farms in the United States. If we could get about twice that number of additional husky chaps to man them conditions would be brighter for the future.

Says the Greenville, S. C., Piedmont: "The Socialists by nominating Debs prove themselves 50 per cent patriotic. They are sticking to the stripes." Why not make it 100 per cent for their candidate who is firmly behind the bars?

It is reported that French war brides are returning to their native land in large numbers. War romance sustained them for a while but it is easily realized that after the romance becomes punctured the pangs of homesickness are difficult to resist.

Jack Dempsey, having been acquitted in a Federal court of draft evasion, announces that he is ready to fight Carpentier, the French pugilist, or any one else that will meet him in the ring. Dempsey would serve notice on Uncle Sam that fighting is regular business.

In New Orleans a priest delayed a wedding so that the bride could retire and put on more clothes. The good father declared that "she appeared so shocking that he had the sexton put out the lights so that she might retire and properly clothe herself." Perhaps the young lady was endeavoring to impress her prospective with her economical disposition as to dress.

SHOULD BE THOROUGHLY INVESTIGATED.

The grand jury last week presented an indictment of Superintendent Will Hiatt, of the county convict force, charging cruelty to the prisoners in his care. The presentment was made upon complaint of R. C. Huffman, white, who was sentenced last December by Judge Bryson to serve 12 months on the road after Huffman, who had been charged with the abduction of a married woman, plead guilty to occupying a room for immoral purposes. Huffman's charges were corroborated by the affidavits of other prisoners on the road force.

Mr. Hiatt has been employed by the county for a long period and he has the reputation of being a capable and efficient supervisor of the convict forces. While it is realized that a chain gang force cannot be handled in the same manner as a Sunday school picnic party, the time for cruel and inhuman treatment of prisoners has long since passed in North Carolina and the custodians of criminal institutions should be impressed with a firm realization of that fact.

When it is considered, however, that Mr. Hiatt is entrusted with the custody of all sorts of criminals, from robbers to vagrants, men who have refused to earn an honest livelihood, and that he is expected to extract work without pay from such an aggregation, we are frank to confess that his job is one that we do not relish.

In justice to Mr. Hiatt and in justice to the prisoners, the charges should and will be thoroughly investigated. The sentiment of Guilford will not tolerate for long a revival of dark age customs, nor yet will it countenance the discredit of an efficient public servant without complete proof of the charges.

MORE TERMS OF CRIMINAL COURT NEEDED.

For some time past there has been apparent a great need for more terms of court for the trial of criminal cases in this county. The need continues and grows more impressive with the passing of time.

From first impression one would presume that additional terms of criminal court would entail greater expense to the county; in reality, it would be a material saving. The expense of witness fees for the large number of witnesses that are required to attend term after term on cases that are of necessity continued would alone offset the expense of conducting court. The personal loss to the witnesses and defendants would swell the total to huge proportions. It is not infrequent that the trial of criminal actions are delayed for as much as a year, continued from one term to another because there is not sufficient time to try all cases on the docket.

It would be wise if the local representatives in the approaching legislature would see that more criminal terms are provided, or that some of the numerous civil terms be converted. It would promote the ends of justice in permitting more speedy trials and result in a great saving to the citizens and the county.

NOMINEE HARDING.

The nomination of Senator Harding is an affront to the intelligence and the conscience of the American people. In making it, the Republican party has put its worst foot forward. The public was prepared for a surprise at Chicago, but not for so disagreeable a surprise. Few observers expected the convention to nominate the best candidate presented to it, but nobody supposed that it would choose the worst. As the convention assembled, Senator Harding was scarcely spoken of, the reason being that his candidacy was generally regarded as hopeless. None of the long list of names that have figured in the discussion of the nomination had been received with wider or more decided disapproval than his. He was the impossible candidate par excellence.

The disheartening thing about it is that it was made, not by the Old Guard alone, but with the connivance of many of those who call themselves Progressives. If it had been dictated to a boss-controlled convention there would have been

hope for the party in a revolt of its better members. But when Kansas on the fateful ninth ballot went solidly into the Harding camp, she trampled the Progressive banner under her feet and made of her loudly voiced professions of light and leading a scrap of paper.

The nomination is all the worst because it perfectly fits the platform. A poor platform might have been redeemed by a worthy candidate, just as a poor candidate might have been rendered acceptable by an excellent platform. But the Chicago convention with bovine consistency tops a feeble platform with a feeble candidate. The combination is a formal announcement of supreme confidence in the result of the election. Any old candidate on any old platform, provided only that party harmony is assured—this is the psychology behind the amazing achievement of the Chicago convention. Satisfied as the delegates may be with their work, however, they cannot be any more thoroughly pleased with it than is the White House. If the Republicans had left the selection of their standard-bearer to their dearest foe, they would probably have found themselves with the very candidate whom they have named. Here is harmony indeed, but when before has it been considered a happy stroke for a party to nominate the man whom its opponents were praying for?—New York Evening Post.

SEES THE FINISH OF G. O. P.

The nomination of Harding drives ratification of the league of nations from first place as an issue in the campaign, without relieving the Democrats of the clear obligation to pronounce strongly and clearly in its favor.

The nomination of Harding makes the issue whether the United States shall return to Hannaism or go forward.

The nomination of Harding means that the Republican party has been true to itself as the servant of big business.

The nomination of Harding proclaims the restoration of the Republican party to its proper and natural masters.

The nomination of Harding is a declaration that there is no god but business and the Republican party is its agent.

It calls to the country to come back to McKinleyism.

It is the Republican party's candid definition of itself as the party of McKinley and Taft and an honest confession that Roosevelt was a temporary aberration.

It is an open assertion that "vested interests," the bankers, the mine owners, the railroad kings and manufacturers, ought to govern the United States, that the people are not fit to govern and that their claim to govern is born in ignorance and conceived in impudence.

We like the nomination of Warren G. Harding. It lifts the fog. It is frank and bold. It rebukes the miserable puerility of the so-called Progressives. It orders them to cease their wretched chatter and get busy for business. The Republican party refuses longer to sail under false colors. It casts overboard the rough-house sanctimoniousness introduced in 1911. The "steam roller" saved the party in 1912 at the cost of defeat—but the "thieves" and "robbers," to quote the elegant epithets of the late Colonel Roosevelt, kept the party alive.

We believe that this is its last campaign—that nothing more than the name and the smell of the historic Republican party will survive 1920. But it is a fine, gallant challenge by the Old Guard for its last charge. They will fight gallantly, too. They go forth in the sign of the property, their faith is in the business man to boss by right of a superiority proved by his success, and they purpose to sacrifice dollars by millions and tens of millions to establish their cause.

The challenge is cold-blooded, sordid, metallic, brutal, without accompaniment of smirks and blushes, but it does not confuse, it does not obscure—it is not hypocritical.

We do not for a moment believe that the American people will go back 20 years, humbly to admit that they have failed in the management of their country, and meekly to petition the recall to power of the plutocracy that then had its offices in Wall street, New York. If they do, if they want to set money on a throne and be its flunkies, they should elect Harding. If they want that kind of government, that is the kind of government they ought to have.—Columbia State.

Employees Voted Dividends.

Gary, Ind., June 17.—Employees of the First National Bank, of Gary, to-day were voted dividends of 14 per cent on their salary, the same rate as paid stockholders on earnings of their holdings. The local bank is said to be the first in the country to adopt this plan.

What a Thing it is to be Fit!

To be not merely free from actual sickness, but to be well, abundantly well, exuberantly well—and to have the mental vim and stamina which go with physical robustness!

Wholesome food, regular habits, exercise—that is the way to keep fit.

Such health is out of the question for you as long as you are constipated. And laxative and cathartic pills only aggravate and confirm the constipation habit.

Nujol works on an entirely new principle.

Instead of forcing or irritating the system, it simply softens the food waste. This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.

Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world. Nujol is absolutely harmless and pleasant to take. Try it.

Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger".

Gained Ten Pounds

Before Taking ZIRON, Alabama Man Was Weak, Nervous, Had No Appetite, But is Now Strong.

EVERY man and woman, who is in a run-down, weak condition, with bad complexion and poor appetite, due to lack of iron in their blood, should find Ziron helpful and strengthening.

It is a scientific, reconstructive tonic, composed of ingredients recommended by leading medical authorities.

Describing his experience with Ziron, Mr. George W. S. Lanier writes from Jones, Ala.: "Sometime back, I was in a terrible condition. I was weak and nervous, and had a tired feeling all the time. My skin was muddy. I had no appetite, and at morning I didn't feel like getting up. I was reading of Ziron and decided I would try it."

"Will say that Ziron is a good medicine. I have gained ten pounds in four months. Am strong and have a good appetite."

Ziron is a mild iron tonic, good for young and old. It helps to restore the system, when run-down by overwork, under-nourishment, caused by stomach or bowel disorders, or as a result of some weakening illness. Get Ziron from your druggist. He sells it on a money-back guarantee.

Carnegie's Will

Andrew Carnegie appointed the Home Trust Company, of Hoboken, as Executor of his Last Will and Testament and Trustee of his Estate. The instrument was written by Mr. Elihu Root, of New York.

This is another proof that a Trust Company is the best instrumentality for the administration of an estate.

If a Trust Company is best for Mr. Carnegie and his estate of many millions, it is best for YOU.

NEIGHBORHOOD NEWS

GREENSBORO ROUTE 2.

Mr. and Mrs. Ernest Whitesell and children recently visited Mr. and Mrs. Mary Nease.

People are busy cutting wheat now. Mr. Emory Walker was in the community Thursday on business.

Mr. Murphy Ingold and family visited at Mr. Thomas Shoffner's last Sunday.

The most disastrous fire that was ever in the community was the burning of the Walker Bros.' sawmill and about one hundred thousand feet of lumber Thursday evening. About ten thousand feet of lumber was saved.

The fire department from the Eagle Hose Company, Greensboro, was called out, and some men from the Southside Company came to assist.

A large crowd was there which kept the fire from getting out in the woods. The sawdust pile caught the about two months ago and the kept burning underneath until it got through the pile and by the blowing the fire toward the lumber it was set on fire. It also burned a large amount of lumber belonging to Mr. I. C. Jones. Last Sunday night the slab pile caught on and was burned.

Mr. J. W. Andrew was in the community Wednesday. He reported that Mr. William Corsbie has a five legged pup. Mr. Andrew said he knew the pup would make a fine fox dog and he will always be resting one leg.

Mr. Colbert Walker spent last Friday evening in Greensboro.

DEMOCRATIC LEADERS

REACH SAN FRANCISCO.

San Francisco, June 18.—Arrived by William G. McAdoo that he would not permit his name to be put before the Democratic convention divided interest here to-day with the arrival of leaders of the Cox faction and a declaration by Mrs. Abby Scott Baker, of the national woman's party.

"Our party will demand that the Democrats give us the 36th state," Mrs. Baker said. "In other words they use all their influence to get the one ratification by state legislature of the national suffrage amendment to the constitution necessary to make suffrage a national law. A resolution in the platform will help by instructions by the party to those lower down is what will count most of all."

Mrs. Baker, who is one of the women who directed the picketing of the White House, charged the Republican convention with having misled the suffrage issue, in Vermont and Connecticut. There are Republican majorities in the legislatures which would ratify the amendment on instructions from the party leaders, she said.

Mrs. Antoinette Funk, of Washington, D. C., who has been working for the amendment was something of a disappointment for a long time.

"We are friends to Mr. McAdoo, and most anxious to bring about his nomination have known for months that he would be apt to make a statement of this kind," she said.

Children Cry FOR FLETCHER'S CASTORIA

THE COAL SITUATION IS ACUTE IN SOME SECTIONS.

Washington, June 18.—A coal shortage next winter which may curtail production of iron and steel and seriously affect other industries is foreseen by the federal reserve board in its review tonight of business, industrial and financial conditions for the month of May. The situation already is acute in some districts, according to the board, and production in many lines is being held down.

Production of coal is being curtailed chiefly as a result of shortage of cars, the reserve board reports. It estimated the car supply at mines in the east at only 30 per cent of normal. Labor difficulties, while complicating the situation, are considered by the board as only a minor cause of reduced coal production.

No reduction of coal prices is in sight, the board says.

Commenting on the far-reaching effect of the car shortage and freight congestion, the reserve board states that reports of its agents indicate that the "transportation tie-up is largely the result of the railroad strike, which still continues over a large section of the country." The congestion is further accentuated according to the board, by local strikes of other groups of transport workers.

Sporadic strikes in the manufacturing industries, notably textiles, have continued to indicate unrest, the board says. An acute shortage of labor on farms is reported. Wages apparently have fallen behind the advances in prices and cost of living, the board asserts.

Little hope for a general reduction of prices is held out by the board though it suggests that changes in prices that have taken place may furnish the basis for a more far reaching alteration in the essential price structure. Changes during May, the board says, have borne witness of many disturbing factors whose importance and persistence are as yet uncertain.

Considerable interruption to business resulted during the month from labor and railroad difficulties, the board states, and the outlook has been such as to cause a severe curtailment in the volume of stock and securities transactions. Material lessening in the market value of liberty bonds and first grade securities is attributed to these causes.

Cypress Tree 5,000 Years Old.

A huge cypress tree in the churchyard near Santa Marie del Tule, in Southern Mexico, according to scientists is the oldest living thing in the world, being between 5,000 and 6,000 years old.

This age is based on the gigantic bole of the tree and the slow growth of the species. These figures mean that when the seed from which the tree sprang fell upon the earth King Menes was holding the first reign in Egypt of which we have any historic knowledge, 3,000 years before the birth of Christ.

Humboldt discovered the tree more than 100 years ago. He nailed to the tree a wooden tablet containing his autograph, and, although it is now partly hidden by the subsequent growth the autograph is still legible.

The last scientific measurement of the tree showed it to have the astonishing girth of 136 feet at four feet from the ground. It shows no signs of decay.—Detroit Free Press.

Our clever young friend, Charlie Ervin, manager of the Brown-Lyndon Shoe Co., has some more good shoe bargains for men and women to offer you in his advertisement in another part of to-day's Patriot. If you need a pair of summer shoes Charlie can save you money on your purchase.

The Kendall Realty and Auction Co. has a very important sale on for Monday, June 28, at Liberty. It is the Swaim farm of 160 acres, subdivided into six beautiful small farms, which will be sold at auction at just what you are willing to pay for them. This is a proposition you don't run up against every day, so take our advice and attend this sale and buy one of these farms. You will never regret it. See Manager Kendall's quarter page announcement elsewhere for details.

The Fordson tractor is a piece of farm machinery that has practical service behind it and a tractor without efficient service cannot deliver its full value to the owner. The Fordson has long since passed the experimental stage, and is to-day being successfully operated on more than a hundred thousand farms in the United States. If you are not the owner of a Fordson drive straight

to the McGlamery Auto Co.'s on your next visit to town and give President McGlamery your order. See his Fordson ad. on the sixth page.

SEVEN PERSON MEN SENTENCED TO PRISON.

Raleigh, June 18.—Six white men and one negro from Person county were yesterday given terms in the penitentiary at Atlanta for illicit distilling by Judge Henry G. Connor, in the United States District court, making the largest complement that has been sent from any county at this term of court.

Mack Gentry, Harvie Henry, Ernest Jones and Arthur Gravitt, who were indicted jointly on the charge of illicit distilling were each given a term of one year and one day. All of the men, two of whom are married, are members of well known families.

Elijah Townsend, another white man, was given a term of two years. The other white man, Jack Cothran, was given a term of one year and one day, judgment being suspended in the case of his brother, Cad, who established a better reputation. Robert Hill, a negro, was given a term of one year and one day.

Lee Day, Alex Day, Abner Day-ton, Ivey Stone, Joe Bowling and Jack Bowling, all white men of Person county, were subjected to fines. Fines were also imposed upon Lonnie Bullock and Tom Sanford, negroes of Person county.

Burglar Seriously Wounded.

Salisbury, June 17.—Will Davis, a negro truck driver, was seriously wounded while robbing the Jacob Feldman home on South Ellis street. The Feldmans are out of town and last night a son, Charlie, went to the home to pack up some silverware and cut glass. He found Davis secreted in a closet and ordered him out. The negro hesitated and Mr. Feldman secured a pistol. When the negro finally came out he came with a lunge towards Mr. Feldman and the latter shot him, inflicting a serious wound. Later it was discovered that the negro had gathered some valuables before being discovered and that his truck was near the house waiting for him.

Severe Wind and Rain Storm.

Lexington, June 18.—Severe wind during a rainstorm this afternoon blew down several electric light poles, broke some electric and telephone wires and put the city without lights.

Meager reports from the surrounding country were to the effect that northwest and north of the city there was considerable damage. Much wheat, which had just been cut, was blown down in the shock and scattered about the fields. A little hail fell here and near the city some damage is thought to have been done.

Two Return Lowden Boodle.

St. Louis, June 18.—Robert E. Moore, a delegate to the Republican national convention from the twelfth (St. Louis) district, asserted to-day he had returned the \$2,500 of Lowden funds he received. The return was made through an "intermediary" in Chicago last Thursday, he said. Nat Goldstein, delegate from the eleventh district, said last night that the \$2,500 of Lowden money given to him had been returned.

IF WE KNEW THEN—

WHAT WE KNOW NOW—

WE'D HAVE DONE THIS INSTEAD—

The Great Granddaddy OF ALL TRACTORS

ADVANTAGES OF THE

HART-PARR

TWO CYLINDER TRACTOR

1. Less engine experience needed to operate.
2. Handles kerosene easier.
3. Its motor easily accessible.
4. Same power at lower price.
5. Half the ignition trouble.
6. Half the valve trouble.
7. Only two main bearings. Cannot get out of line and break crank shaft.
8. Few bearings, and these may be oiled by mechanical oiler.
9. Less gearing because of lower engine speed and less reduction.
10. Best type of gearing may be used because of less speed reduction to wheels.
11. Less power lost in transmission because less speed reduction to wheels.
12. Less jacket walls on cylinder and less heat lost.
13. Easier to cool with radiator.
14. Sturdier, more rugged parts.
15. Slower speed, hence longer life.
16. Less wearing parts.
17. One or two cylinders always for heavy duty.
18. With cranks at 180 degrees, they may be well balanced.
19. Similar to stationary engine.
20. Better belt power.

ADVANTAGES OF THE FOUR-CYLINDER.

1. Good balance.
2. More but smaller power impulses.
3. Appearance.
4. Similar to auto engines.
5. Can use lighter flywheel.

LET US DEMONSTRATE THESE SUPER-LATIVE ADVANTAGES OF THE "HART-PARR"

MIDWAY AUTO CO.,

Greensboro, N. C.

Sole Dealers for Guilford, Rockingham and Randolph Counties

STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

THEDFORD'S

BLACK-DRAUGHT

recommended very highly, so began to use it. It cured me. I keep it in the house all the time. It is the best liver medicine made. I do not have sick headache or stomach trouble any more." Black-Draught acts on the jaded liver and helps it to do its important work of throwing out waste materials and poisons from the system. This medicine should be in every household for use in time of need. Get a package today. If you feel sluggish, take a dose tonight. You will feel fresh tomorrow. Price 25c a package. All druggists.

ONE CENT A DOSE

Do Not Get Careless With Your Blood Supply

Impurities Invite Disease.

You should pay particular heed to any indication that your blood supply is becoming sluggish, or that there is a lessening in its strength and vital force.

By keeping your blood purified, your system more easily wards off disease that is ever present, waiting to attack wherever there is an opening. A few bottles of S. S. S.,

the great vegetable blood medicine, will revitalize your blood and give you new strength and a healthy, vigorous vitality. Everyone needs it just now to keep the system in perfect condition. Go to your drug store and get a bottle to-day, and if you need any medical advice, you can obtain it without cost by writing to Medical Director, Swift Specific Co., 109 Swift opening. A few bottles of S. S. S., Laboratory, Atlanta, Ga.

GOMPERS MEETS HIS
FIRST GENUINE DEFEAT.

Montreal, Can., June 17.—The American Federation of Labor's endorsement to-day of government ownership of railroads at the annual convention here was declared by labor leaders tonight to have been the first defeat Samuel Gompers, its veteran president, has suffered in years. The final vote was 29,059 for government ownership and 8,349 against.

The decisive vote, it is reported, prompted the labor chief to state before the convention late to-day that he "was not quite sure" he would be a candidate for re-election. Mr. Gompers fought hard against the convention's action, declaring it was a step toward the "enslavement of the workers as government employees, who, he said, had been denied many political and economic rights under the past administration." He received only a mild ovation.

The united mine workers and the powerful railroad workers organizations combined to bring about President Gompers' defeat. They also had the support of the machinists' union and the metal trades organization, all powerful voting factors.

The carpenters' union and the building trades organization stood loyally by Gompers, but were overwhelmed.

After the federation's action, the executive council whose members supporters Mr. Gompers was said to be placed in an embarrassing position. They must now take steps to bring about government ownership which they have opposed or resign.

Supporters of Mr. Gompers declared tonight that they would urge him to retain leadership of the federation and seek re-election for the 33rd time.

Despite the protests and desires of Mr. Gompers the convention increased his salary to \$12,000 a year.

In making an appeal to the delegates not to give him a raise Mr. Gompers declared that \$10,000 "is all sufficient for a man living in the ordinary modes of life to satisfy him and his needs."

GOMPERS RE-ELECTED AS
HEAD OF FEDERATION.

Montreal, June 18.—The American Federation of Labor again expressed its confidence in the leadership of Samuel Gompers, its veteran president, when it re-elected him to-day for the thirty-ninth time at its fortieth annual convention here and returned to office his entire administrative cabinet.

His election was virtually unanimous. The only delegate who voted against him was James A. Dunson, of the Seattle Con. Central Labor Council, leader of the progressive wing of the federation. The delegates gave the elderly leader a tremendous ovation when he declared: "I accept the call to duty and I will obey." He was much affected by the demonstration.

Representatives of railroad workers' organizations seconded Mr. Gompers' nomination which was made by George W. Perkins, of the Cigarmakers Union. They pledged their hearty support to his leadership, declaring that the convention's action of yesterday in endorsing government ownership of the railroads should not be construed as a repudiation of his administration.

Attendance Has Uniform School
Books.

Burlington, June 17.—Uniform text books have been adopted for all schools in this county doing work above the seventh grade, and the adoption of the uniform books will eliminate the annoyance of parents of school children in having to purchase new books every time a pupil enters a new school or a new teacher arrives. The books have been adopted for a period of four years, and the board of education of the county has appointed certain stores of the county to handle the books.

AN EXCITING HOUR IN
THE HEART OF BIRMINGHAM.

Birmingham, June 19.—After an exciting hour in the heart of the downtown section tonight, Ethan Harden, a negro, was spirited from the city jail to the county jail and it was thought was there safe from a big crowd which had assembled, threatening vengeance against him for a disturbance he had caused.

While the streets were jammed with Saturday night crowds, the negro had attempted to cut the strap of a woman's purse. A fight followed in which one white man was cut across the hand by the negro. A deputy sheriff shot Harden, the bullet entering his side. Other police and deputies arrived just in time to save the negro.

Streaming with blood and with his clothes hanging in shreds the officers hurried him off toward the city jail, two blocks distant. An enormous crowd collected and followed them.

Shortly after 9 o'clock fire hose was turned on the crowd around the jail. A large number got into the jail corridor but could not withstand the streams of water.

Aged Woman Killed by Train.

Hickory, June 17.—Mrs. Edwin Chadwick, one of Hickory's best known women, was struck by southern passenger train No. 21, at a street crossing here this afternoon and so badly injured that she died in a hospital a few minutes later.

She was noted for her absent-mindedness during the past few years and she walked on to the railroad track a few feet from the train. The engineer, who saw the aged lady, made every effort to stop his train, but without success. Mrs. Chadwick was knocked several feet and received ugly cuts about the head. Her limbs were broken by the impact.

Seized Candidate's Auto.

Asheville, June 18.—George Cather, candidate for sheriff of the independent ticket, is out an automobile this morning, as the result of the seizure of his car last night by J. H. Reed, chief prohibition agent and deputy agents, the car being held owing to the fact that several weeks ago city detectives seized about 11 gallons of liquor in it on Pack square.

Since the case was transferred from the police court to the federal authorities, Mr. Reed says that he has been watching for the car and last night is the first time he has been able to locate it.

TAX PURCHASE NOTICE.

TO MISS L. L. RAYMOND: You will take notice that the undersigned did on the 4th day of August, 1919, purchase for taxes a certain tract of land situated in Morehead township, Guilford county, N. C., and listed as one acre Lindley land, and further described: Adjoining the J. Van Landley Nursery Co., the Lindley park and others and bounded as follows:

Beginning at an iron driven for a corner in the north edge of Pomona road and west of Lindley park, said iron being south 65 degrees 30 minutes west ten feet from culvert of Terra Cotta pipe and running thence south 65 degrees 30 minutes west with said road 330 feet to iron; thence north 25 degrees 50 minutes west 630 feet to iron; thence north 65 degrees 30 minutes east 220 feet to iron; in Lindley park line; thence with said line south 26 degrees 50 minutes west 630 feet to the beginning, containing 13,448 square feet.

Said land was taxed and listed in the name of Miss L. L. Raymond for the year 1919, amount of said tax and cost is \$19.06, and the time of redemption will expire on the 4th day of August, 1920. You will take further notice that if said tax is not redeemed together with cost and interest allowed by law on or before the said date of redemption, the same will apply to the sheriff for a deed of said property.

This April 2, 1920. A. SCHIFFMAN, Purchaser.

DISSOLUTION NOTICE.

State of North Carolina, Department of State.

To All to Whom These Presents May Come—Greeting:

Whereas, it appears to my satisfaction, by duly authenticated record of the proceedings for the voluntary dissolution thereof by the unanimous consent of all the stockholders, deposited in my office, that the Piedmont Hardware Company, a corporation of this state, whose principal office is situated at No. 1111 Street, in the city of Greensboro, county of Guilford, State of North Carolina (J. F. Brooks being the agent therein and in charge thereof, upon whom process may be served), has complied with the requirements of Chapter 21, Revised Code of 1906, entitled "Corporations," preliminary to the issuing of this certificate of dissolution; Now, therefore, I, J. Bryan Grimes, secretary of state of North Carolina, do hereby certify that the said corporation did, on the 29th day of May, 1920, file in my office a duly executed and attested consent to the dissolution of said corporation, executed by all the stockholders thereof, of which said consent and record of the proceedings aforesaid are now on file in my said office as provided by law.

In testimony whereof, I have hereto set my hand and affixed my official seal at Raleigh, this 29th day of May, A. D. 1920.

J. BRYAN GRIMES, Secretary of State.

NOTICE OF SALE OF VALUABLE
LANDS IN HIGH POINT, N. C.

By virtue of an order of the Superior court of Guilford county, North Carolina, made and entered in the case entitled Mrs. Fannie L. Turner, administratrix of James A. Turner, deceased, vs. James A. Turner, Jr., and his guardian ad litem Dr. J. T. J. Battie, the undersigned as commissioner will offer for sale to the best bidder at the court house door in the city of Greensboro, N. C., on

Saturday, July 10, 1920, at 12 o'clock noon the following valuable property situated in the city of High Point, North Carolina, and bounded as follows:

Beginning at a stake in formerly Dr. James A. Turner's line 175 feet south of said Turner's corner on south side of West Russell street, running thence southwardly with the said Turner's line 45 feet more or less to the corner of the lot owned by J. P. Trogon's; thence westwardly with the line of the said Trogon 90 feet more or less to a stake, formerly Hedrick's old corner in Trogon's line; thence northwardly 45 feet more or less to a stake, formerly D. E. Bower's corner; thence eastwardly with the line of D. E. Bower and Mittle L. Hedrick, now Snow Lumber Co., 90 feet more or less to the beginning, containing 4650 square feet, more or less. The same being the tract of land conveyed by deed of W. C. Jones to James A. Turner recorded in book 282 at page 521 in the register of deeds' office of Guilford county.

On the same terms and conditions the said commissioner will offer for sale subject to the life estate of widow Turner, the tract described in the petition filed in this cause as tract No. 2 situated and being in the city of High Point, N. C., and bounded as follows: Beginning at a stake southwest corner intersection of Willowbrook and West Russell street; south 88 degrees west 90 feet to a stake (Hedrick's northeast corner); thence along said Hedrick's line south 7 degrees east 215 feet to a stake (Hedrick's south-east corner formerly Chard's line); thence along formerly Trogon's line north 88 degrees east to a stake on the west side of Willowbrook street; thence north 7 degrees west 215 feet to the beginning and containing 25,110 feet, more or less.

This is valuable property and is located in one of the most thriving places in North Carolina.

Terms of sale: one-half cash; balance in six months. Title retained until all purchase money is paid, and six per cent interest charged on deferred payment.

This June 5, 1920. S. E. MURROW, B. ADAMS, Commissioner.

Funeral of Ruby Dry.

Funeral services for little Ruby Dry, who died in a local hospital Wednesday morning, were held Friday afternoon at 2:30 at Proximity Methodist Episcopal church. Rev. A. Burgess officiated and interment made in Greene Hill cemetery.

Infant Succumbs to Meningitis.

Melvin, the young son of Mr. and Mrs. R. J. Dehart, died at his parents' home, Pomona, yesterday morning at 6:30 o'clock, following an illness with meningitis. The funeral will be held from the residence this afternoon at 2 o'clock, followed by interment in Pomona cemetery.

W. J. Westbrook Moves Family to Greensboro.

W. J. Westbrook, president of the W. J. Westbrook Elevator Company, of Greensboro, moved his family to the city from Danville Friday. They are now living at the home formerly owned by the Hodkin estate and located at 336 Asheboro street.

Lambeth-Rankin Announcement.

The following announcement will be interesting to friends throughout the state:

"Mr. and Mrs. Frank S. Lambeth, of Thomasville, announce the engagement of their daughter, Ella Arnold, to Mr. W. W. Rankin, Jr., of Charlotte—the wedding to take place in October."

Charles A. Hines to Deliver Address.

Charles A. Hines, of the local bar, has accepted an invitation to deliver an address at the 18th annual session of the North Carolina Building and Loan League, which will meet in Lenoir June 23-25. Mr. Hines will speak on the subject, "Co-operation, the Watchword of Modern Business."

Off to San Francisco.

E. D. Broadhurst, a delegate to the national Democratic convention, left this morning for San Francisco. Mr. Broadhurst was accompanied by his wife who will take the long trip with him across the continent. Mr. and Mrs. Broadhurst joined a large party enroute to the Golden West, a special car being made up in this city.

Chamber of Commerce Moves.

The offices of the Chamber of Commerce, which were formerly located in the Benbow Arcade building, have been moved to the building on North Elm street above the new building of the American Exchange National Bank building. The new quarters for the chamber are clean and commodious and will afford more pleasant accommodations than the former offices.

Patriots Take Series From Raleigh.

The Greensboro team succeeded in taking the series from the Capital aggregation, the locals winning on both Friday and Saturday. The score the first game was 6-5, while on Saturday the Patriots won by the overwhelming tune of 7-0.

E. D. Broadhurst Speaks at Goldsboro.

At the meeting held last week in Goldsboro of the Equal Suffrage League, of that city, E. D. Broadhurst, a member of the local bar, was the principal speaker. Mr. Broadhurst was a former resident of Goldsboro and it is reported that he made a strong and convincing address on the subject of equal suffrage to his former townsmen.

Meningitis Causes Death Little Boy.

John Brown, Jr., small son of Mr. and Mrs. John Brown, died yesterday morning at 10:45 o'clock at the home of his parents, 85 Fifteenth street, White Oak. The little fellow had been sick a short time with meningitis.

The remains will be taken to Pleasant Grove church, near Oak Ridge, this morning, and interment will take place there this afternoon.

Miss Pearl Winfrey and J. H. Whittemore Wed.

Last Thursday evening at 9 o'clock James H. Whittemore and Miss Pearl Winfrey were quietly married at the home of the Rev. J. Clyde Turner. Only a few close friends and relatives witnessed the ceremony.

Mr. and Mrs. Whittemore are popular among a wide circle of friends, who will be glad to know that the young couple intend to make their home in Greensboro.

Funeral of R. H. Dickerson.

Funeral services for R. H. Dickerson, who died Saturday afternoon at his home, 406 North Greene street, were held yesterday afternoon at the residence. Rev. Mr. Eller, pastor of Third Street Baptist church, and Dr. J. Clyde Turner, of the First Baptist church officiated. Interment was made in Greene Hill cemetery. The following acted as pall-bearers: A. C. Melvin, R. A. Anderson, R. R. Myrick, J. D. Campbell, F. V. Moon and T. L. Knight.

Fire at Thurman Lumber Plant.

The Thurman Lumber Company plant, located ten miles southeast of the city, suffered a loss of several thousand dollars Thursday night from a fire that destroyed one of the smaller mills of the plant. The fire department of this city responded to a call for aid and did effective work in preventing a spread of the flames. Water was pumped from a nearby branch and thrown upon the blaze with as much force as if it had been connected with the city hydrants.

Funeral of Mrs. Nancy Glass.

The remains of Mrs. Nancy Elizabeth Glass, whose death occurred last Wednesday at her home nine miles northwest of the city, were laid to rest in the burial ground of the Moriah M. E. church Thursday afternoon. The service was conducted by Rev. T. J. Rogers. Acting as pall-bearers were Harm McFarland, J. W. Wrenn, Jesse Gardner, A. P. Stanly, J. R. Wrenn and Dave Jones. Flower-bearers were Misses Clara Freeman, Hassie Ward, Beniah Stack and Viola Stevenson.

Motor Transport Corps Expected Here Tomorrow.

The United States army motor transport corps, composed of about 165 enlisted men and 30 officers, is expected to reach this city late tomorrow afternoon. The convoy is en route from Washington, D. C., to Los Angeles, Cal., and the tour is for the purpose of arousing interest in better national highways, gathering data for routes and information of existing improved thoroughfares.

The city of Greensboro is planning to extend a most cordial welcome to the members of the corps on their arrival here. A dinner will be served at the Country Club complimentary to the officers, while entertainment and food will be afforded for the enlisted men.

C. M. Vanstony, a director of the

Bankhead, National Highway Association, left here yesterday morning for Raleigh, where he will join the corps. A committee of Greensboro citizens, headed by R. D. Douglas, will meet the visitors when they reach the county line tomorrow afternoon and escort them to the city.

Mrs. T. Siler Died Yesterday.

Mrs. T. Siler, aged 66, died at her home, 1114 Oakland avenue, at 1 o'clock yesterday afternoon, after a long illness. Surviving are her husband, T. Siler; three daughters, Mrs. C. M. Coble, Mrs. W. A. Kimes and Miss Inez Siler, all of Greensboro; two sons, P. T. Siler, of Randolph county and G. W. Siler, of Greensboro; and one brother, Lee Wood, of Randleman.

The funeral will be held from the residence this afternoon at 3 o'clock. Rev. L. L. Carpenter officiating, and interment will follow in Greene Hill cemetery.

Field-Baldwin Wedding.

At high noon Thursday Miss Janie Field and Lucian F. Baldwin were married at the home of the bride's mother, Mrs. F. G. Field, on Chestnut street. The home was beautifully decorated with Queen Anne's lace, daisies and ferns. Preceding the ceremony a musical program was rendered by Mr. and Mrs. E. L. Davant. The ceremony was performed by Rev. J. H. Barnhardt with only the immediate families of the bride and bride-groom present.

For several years Miss Field has been employed by the Cone Export and Commission Company, of this city.

Mr. Baldwin is a young business man of Sanford, being engaged in the mercantile business of that place.

After a trip to northern points, Mr. and Mrs. Baldwin will be at home in Sanford, after July 1.

Passenger Station Bill.

At a joint meeting of representatives of the Greensboro Chamber of Commerce and legal counsel for the Southern Railway Company, held Friday afternoon in this city, agreement was reached upon the terms of the proposed bill to be introduced in the special session of the legislature relative to the submission to a vote of the people of Greensboro regarding the sale of bonds for the construction of a new passenger station in the city. The bill would authorize the sale of \$1,300,000 worth of bonds in the event the proposition is ratified by the voters of the city, and the entire amount would be used in the erection of a railway station suitable to the needs of the city.

In view of the urgent need for relief in the way of a new station, it is hoped that the legislature may be prevailed upon to turn its attention from matters of taxation and woman suffrage for a few moments in order to permit the people of Greensboro to take a vote on the question.

Mrs. Roscoe Ward Dies at Local Hospital—Funeral Saturday.

Mrs. Roscoe A. Ward, aged 34, died at St. Leo's hospital Friday morning at 4:50 o'clock, following an operation Monday for acute appendicitis. She had not been strong for the past several years.

Before her marriage, Mrs. Ward was Miss May McCain, of Wilson. She is survived by her husband, who is connected with the Donnel-Moore Shoe Company, four sisters and three brothers.

Mrs. Ward was a devout Christian and a member of the Centenary Methodist church. Her bereaved husband and loved ones have the tenderest sympathy of a large number of friends in the city and vicinity.

The funeral services were conducted at the residence on Blandwood avenue at 10 o'clock Saturday morning by Rev. Mr. Hale, the family pastor of her parents for a number of years, assisted by Rev. A. W. Plyler, pastor of Centenary Methodist church. Interment was made in Greene Hill cemetery.

RATIFICATION IS DOOMED IN NORTH CAROLINA.

Raleigh, June 18.—Second only to that bearing on the gubernatorial situation is the talk heard on every hand concerning woman suffrage.

As the special session of the legislature approaches sentiment is crystallizing in all parts of the state, report those who come to Raleigh on various missions.

In spite of the ratification talk that has been heard, it is said that when the "scratch" comes there is no guarantee that the Susan B. Anthony amendment will be ratified. Anti-suffragists are circulating literature connecting the name of Fred Douglas with the amendment. One piece of literature being distributed from headquarters here is a leaflet bearing the picture of a ne-

gro woman, a delegate to a Kentucky Republican convention. Quotations from the "Suffrage Bible" are also being sent out and the anti-s are openly asserting that ratification by North Carolina will be an insult to the rest of the south. Each southern state having voted rejection as fast as the measure came up.

Birth Announced.

Born, June 16, to Major and Mrs. Glenn Brown, at Camp Pike, Little Rock, Ark., a son.

OLD ABSALOM

Absalom was ninety years old. For years he had been a familiar figure around the railroad station, picking up old pennies, carrying luggage and doing errands.

One day, after a heavy snow, the westbound express stopped at the station and the passengers, warmed of a long wait, left the chair cars to stretch their legs. One of them spoke to Absalom.

"What community is this, Uncle?" he asked.

Old Absalom scratched his woolly head.

"What's a community, mister?"

"A community is a city or a town or a village where folks are sociable; where everybody knows everybody else; where the stranger is made welcome; where every man, woman and child gets together for common enjoyment and recreation," replied the questioner.

Uncle Absalom opened his eyes wide in astonishment.

"I'm pretty suah this year ain't no community," he said. "This is jest a place."

Uncle Absalom described the town accurately. It had its cliques, its social barriers. The folks west of Main street didn't talk to anyone living east. You "belonged" in the best circles, or you didn't. Nobody ever thought of some civic organization by which all classes would get together, forget the social barriers and work for the common good.

Community Service is making communities out of places. Through it, selfishness and social prejudice give way to common enjoyment.
