FUNERAL OF W. L. LINDSEY HELD THIS MORNING

PROMINENT CITIZEN DIED SAT-
URDAY NIGHT AND BURIED
AT BETHEL CHURCH.

Funeral services for Walter L. Lindsey, whose death occurred late Saturday night, were conducted this morning at 11 o'clock from Bethel Presbyterian church. A vast concourse of sorrowing friends gathered at the historic church in the eastern part of the county to pay their last respects to a splendid friend and useful citizen, while beautiful and numerous floral tributes were banked around the freshly-mounded grave as expressions of grief and sympathy of loved ones.

The service was conducted by Rev. Mr. Whiteley, pastor of Bethel church, assisted by Rev. R. Murphy Williams and Dr. Charles F. Myers, both Presbyterian ministers of this city. Acting as pall-bearers were R. M. Huffines, L. A. Carmon, John W. Paisley, Wallace Phipps, C. A. Wharton and John C. McLean.

The news of Mr. Lindsey's death came as a severe and unexpected shock to his friends in this city. He had spent a portion of Saturday afternoon in Greensboro and appeared in his usual good health. While at supper Saturday evening he was stricken with heart trouble, which at first was not regarded as being serious. During the night, however, his condition became more critical and shortly before midnight he quietly passed into that great beyond and entered his reward above.

Mr. Lindsey was born in Yanceyville, Caswell county, on January 4, 1858, the son of A. C. and Hattie Merriek Lindsey. His father was a school teacher. About 61 years ago the family moved to this county and settled on the plantation where Mr. Lindsey made his permanent home, located about seven miles from this city on the road leading from Greensboro to Gibsonville. Mr. Lindsey married Miss Carrie Wharton, their wedding having occurred 36 years ago. The widow, one daughter, Mrs. Richard Wharton, and an infant grandson, Richard Wharton, Jr., survive.

A man of gentle and courteous manners, affable in disposition and of the very highest integrity, Mr. Lindsey enjoyed the esteem and respect of all who knew him. He was not the type that cared for or sought public office. When such suggestions were made by his friends he merely smiled and continued in the path of duty as an upright, God-fearing private in the ranks of constructive citizenship. He was a life-long member of Bethel church, for many years a faithful officer of that congregation. As a friend to his friends, as a husband and father, as a citizen and as a follower of Christ he lived for 63 years, giving a full measure of devotion to his every duty. His passing will cause a great void in the community where he lived and loved.

E. D. LANDRETH LOST BARN AND THREE CARS IN FIRE.

E. D. Landreth, who operates the Merchants' Delivery Company, suffered the loss of his barn, two motor trucks and a Ford touring car when the barn on his premises which was used as a garage burned down early Thursday morning. The loss will probably total \$6,000. The touring car was covered by insurance; the trucks being only partially insured.

Inasmuch as the blaze was discovered early Thursday morning, immediately following a heavy rain, it is suspected that the fire was of incendiary origin.

ASKS \$500 FOR KILLING OF HIS BIRD DOG.

E. A. Watson filed suit in Guilford Superior court Saturday where-in he asks \$500 damages from the Carolina and Yadkin River Railroad for the wrongful killing of his dog. The complaint of plaintiff alleges that the engineer could have stopped the train if he had exercised care and the death of the dog was due to negligence of defendant's employees.

The canine, according to the plaintiff's allegations, was a valuable bird dog, worth \$500, and a recovery for this amount is sought.

LON DUKE KILLS BY USE OF SHOT GUN.

Lon Duke, white man about 40 years old, committed suicide last night about 11 o'clock near his home at the fair grounds when he fired a shot gun at his own head. The top of his head was blown off and death resulted immediately.

About 10.45 o'clock, according to the wife of the dead man, Mr. Duke began acting queer. When his wife inquired the trouble he flew into a rage, took his shot gun and left the house, declaring his intention to end his life. Mrs. Duke stated that she attempted to take the gun from him, making several such efforts, only to be pushed away. She was only a few feet from him when the fatal shot occurred. She and several of her children fainted and when officers arrived they were hysterical.

The deceased is survived by his wife and five children, the oldest of which is 13 years old.

E. L. McADAMS, DRUG CLERK, HELD ON LARCENY CHARGE.

E. L. McAdams, drug clerk at Howerton's drug store, was arrested Saturday morning on a charge of larceny and is being held under a bond of \$500 for his appearance in Municipal court tomorrow morning.

The arrest of Mr. McAdams followed as a result of suspicions reported to have been entertained by the proprietor of the store for some time. A plain clothes officer made a purchase at the store during the absence of Mr. Howerton, he being waited on by McAdams. Two one dollar bills, marked and with numbers recorded, were paid to the clerk and when an investigation was later made the bills were not in the cash register. A search of the clerk followed and one of the bills was found on his person.

J. W. SMITH HELD FOR HIGHER COURT FOR ASSAULT ON CHILD.

J. W. Smith, of Pomona, charged with an attempted criminal assault on his 13 year old daughter, was held for the Superior court following the finding of probable cause at a hearing before Squire J. R. Caffey on Thursday afternoon. Smith was held on a bond of \$500, which was readily furnished by the defendant.

The defendant's daughter, upon whom the assault was alleged to have occurred, and her younger sister, testified against their father, while the defendant himself claimed that the whole affair was a frame up between the children and their mother.

Dr. B. B. Williams, city physician, who examined the child, stated to the court that after an examination he found no signs of her having been the victim of an assault. Dr. Williams testified that he had difficulty in getting the mother's permission to make the examination.

AMERICAN LEGION DRIVE MET WITH FINE SUCCESS.

The membership drive conducted last week by the Henry K. Burner post of the American Legion met with splendid success and the membership of the Greensboro post is more than tripled as a result of the effort. George R. Dawson was chairman of the whirl-wind campaign.

Friday night the old and new members gathered at the Greensboro Country Club, where a delightful supper was served. Honor guests of the occasion were C. K. Burgess, of Raleigh, state adjutant of the American Legion, and Col. J. B. Van Metts, adjutant general of the North Carolina national guard. Both of the distinguished visitors made inspiring talks.

The next meeting of the Henry K. Burner post will be featured by a barbecue and Brunswick stew, according to final announcement made by Commander R. E. Denny.

Dr. Melton Clark a Visitor.

Dr. Melton Clark, former pastor of the First Presbyterian church of this city, was a welcome visitor in Greensboro last week. Dr. Clark filled his old pulpit at the morning service yesterday and he was greeted by a large congregation.

C. J. LEGON HELD ON CHARGE ASSAULTING YOUNG GIRL

POMONA MAN CHARGED WITH
SERIOUS CRIME AND IS HELD
WITHOUT BOND.

C. J. Legon, young white man of Pomona, is being held in jail without bond pending a preliminary hearing tomorrow on a charge of having attempted a criminal assault on Florence Williams, an eight-year-old white girl of the mill village. The girl is a grand-daughter of Legon's sister.

The arrest of Legon was made Saturday by Officer O. W. Duke. The attempted assault was alleged to have been committed Wednesday. The child's statement to her mother was to the effect that Legon entered the Williams home Wednesday during the mother's absence and while the little girl was washing dishes. According to her statement, he locked the front and rear doors and then attempted to assault her. County Physician W. M. Jones, who examined the child, expressed the opinion that an attempt to assault her had been committed and a warrant was sworn out against Legon.

Legon is about 30 years of age. It is reported that feeling ran high in the mill village when news of the affair became known and the defendant was placed in jail, without bond.

HIGH SCHOOL BOYS HELP TO BUILD NEW WAREHOUSES.

Eight boys of the Greensboro high school are improving their muscles, building up for the approach of the fall athletic season and at the same time helping toward the rushing of the completion of the two new tobacco warehouses. Incidentally they are making good pay during the vacation season. The boys are working with pick and shovel and excavating for the foundation of the buildings. They have stuck to the job faithfully during a week and have already passed the blister stage. Contractor W. B. Enoch says they are hard workers and valuable members of his working crew.

The boys are Kenneth Lewis, Joe Transou, Wilbur Cooper, Jimmie and Bill Ogburn, John Caffey, Jack Bray and Fred Maus.

CEDAR HILL SCHOOL CLOSED AT REQUEST OF PATRONS.

At its regular monthly meeting held Saturday the county board of education decided to abolish the Cedar Hill school and the patrons of that school will be transported to Pleasant Garden in the future. The action was taken by the board in compliance with a petition presented and signed by a majority of the residents of the Cedar Hill school section. The school at Pleasant Garden is better equipped and automobile trucks will be provided for taking the children to school and returning them to their homes.

Another meeting of the school board will be held Wednesday, at which time school committeemen will be appointed and other business transacted with a view to closing the year's work.

JOHN HUNTLEY KILLED WHEN TRAIN COLLIDED WITH AUTO.

John Huntley, negro was instantly killed, and Will Cole, also negro, received painful injuries Thursday evening when the automobile in which they were driving across South Ashe street stalled on the tracks of the Southern Railway Company and was struck by the train from Winston-Salem. The auto was demolished and not until Huntley's body had been dragged about 35 feet was he liberated from the debris. Cole jumped when he saw the train approaching and while he sustained injuries of the back and minor bruises, he had an extremely narrow escape. The automobile was owned by Cole and was being driven by Huntley.

Has Moved His Office.

Col. John A. Barringer has moved his law office from court square to more commodious quarters in the American Exchange National Bank building, where he would be pleased to have his friends and clients call.

DEMPEY KNOCKS FRENCHMAN OUT IN FOURTH ROUND.

Ringside, July 2.—Georges Carpentier finished flat on his face, his legs and arms outstretched in the fourth round.

Jack Dempsey, the world's heavy-weight champion, knocked him out a few seconds after the round opened, sending him heavily to the canvas with a short right hook to the chin. The actual time of fighting in the fourth round was one minute and 16 seconds.

Previous to the knockout Carpentier was floored with a left to the body and a right to the chin. Carpentier took a count of nine before springing to his feet where the grim, determined Dempsey measured him with a punch to the chin, which ended the battle. Dempsey stood over the fallen French idol until the count was finished and then tenderly picked up the bleeding and dazed Frenchman and dragged him to his corner.

Dempsey gave Carpentier an unmerciful beating. He opened up a cut under the challenger's eye and battered him so viciously around the head with vicious rights and lefts until Carpentier's face was swollen and bleeding. Carpentier fought gamely back at the champion but he was outclassed. Once he was half knocked out and half pushed through the ropes and most of the time was going away from the champion. Dempsey kept after him, driving him to the corner whenever he had an opportunity.

Carpentier was out only for a few seconds. Manager Descamps applied first aid as quickly as the dazed Frenchman dropped into his chair. Police immediately climbed into the ring and made a path for the champion and Carpentier to go to their dressing rooms.

PATRIOTS WON FROM HIGH POINT IN HITTING CONTEST.

By the score of 8-6 the Greensboro Patriots defeated High Point Saturday afternoon, the game being staged at Cone park before an audience of several thousand enthusiastic fans from this city and the furniture metropolis. It was a game of many hits, the losing team securing 16 as compared to a total of 13 for the victors, but the Patriots hit at more opportune times.

Whitney was on the mound for the locals while Jenkins pitched for the visiting team.

Burlington Mill Bankrupt.

Burlington, July 3.—The Southern Hosiery Mills, located in the western section of this city has been adjudged in voluntary bankruptcy. The liabilities were \$63,000, while the assets were appraised at \$34,000, including machinery, building and accounts. The officers of the company were J. M. Browning, president; C. J. Boland, secretary-treasurer. A receiver will be named later.

Liquor and Gasoline Deadly Weapon.

Wilmington, July 3.—Road and jail sentences are to be imposed in the future by Recorder George Harris when defendants in the county court are convicted of charges of driving automobiles while under the influence of intoxicants.

"An intoxicated man driving an automobile constitutes nothing other than a decidedly deadly weapon of great danger to life and limb," said the recorder.

"SAFE AND SANE FOURTH" IS THE PRESENT SLOGAN

COMMISSIONERS SEEK TO SAVE
LIFE AND PROPERTY FROM
ACCIDENTS.

Raleigh, July 2.—Insurance Commissioner Stacey Wade and his fire-prevention deputies of the state department, are looking for a strictly safe and sane observance of July 4, Monday.

For two weeks or more, quantities of literature, counselling caution in using fireworks, citing numerous instances of former fires, accidents and deaths therefrom, have been mailed by the department. County and city officials have been posted on the laws regulating, or prohibiting the sale and distribution of these explosives. Owing to several fires and accidents and one death in the state last fourth of July by the use of sparklers, Commissioner Young revoked the former permit for distributing this so called "harmless" substitute for the more robust interdicted firecrackers. In spite of this, one child was burned to death, several injured and four fires were reported as a Christmas sparkler aftermath. After years of agitation, imploration and education, Commissioner Wade feels now satisfied that people have determined to quit burning up so much money and property, crippling children, snuffing out lives and making ungodly noises, simply because it was considered the proper way to be patriotic or joyful, a half century ago.

From the number of banks that have recently or are now figuring as plaintiff of defendant in civil suits growing out of blue sky stock sales last year, and all of them standing to loose money or prestige or both, however, the result, or on which side the docket they appear, the insurance commissioner says they should be specially glad of the amendment to the law by the last general assembly, whereby they were prohibited from discounting stock speculation notes endorsed without recourse. Had such a law been in existence last year this time, it would have saved several banks from bankruptcy, small country banks at least, and millions of dollars to the people. They were fleeced with their eyes open, says the commissioner, for the insurance department persistently, pertinaciously if not contumaciously warned against the wild cat schemes and wilder promises of profits. The harvest is now being reaped, and the docket of the courts every where are being cluttered by investors or proper discounters, seeking to avoid by law or equity the effects of signing obligations for deferred payments, or buying them "without recourse."

That "we've got em on the run," so far as wild cat salesmen without license are concerned, the insurance department thinks, for instead of steady stream of complaints of being swindled, as was the case in June, 1920, this June, people everywhere are on the alert, and reports of attempted sales are the order, and the immediate arrest of the alleged offender is made. The latest arrest was that of Harry K. Davis, in High Point last Tuesday, salesman for the Consumers Fire and Supply Company. He will be given a trial in Charlotte, July 20. The same week true bills were found in Mecklenburg court against F. M. Perkins, F. M. Westbrook et al trading as Southern Trading Company, for violating the blue sky law.

GILLIAM GRISSOM NEXT TO THE BAT.

Washington, July 3.—Next to the bat from North Carolina in an endeavor to wallop the patronage pill for a home run is expected to be Gilliam Grissom, secretary of the North Carolina Republican state committee. Slated by the "hog combine" for the position of collector of internal revenue for the western district, his call to the federal pay roll is being impatiently awaited by him. State Chairman Morehead, so report has it, has turned in the endorsement for Grissom, has put his official mark upon the appointment, and President Harding is expected to do the rest at a very early date, the earlier the better is Gilliam Grissom's view of the matter.

TAFT GETS APPOINTMENT CHIEF SUPREME COURT.

Washington, June 30.—Former President William Howard Taft was nominated late today by President Harding to be chief justice of the United States Supreme court and his nomination was confirmed by the senate in executive session.

The nomination was not confirmed without opposition, however, and a roll call was demanded. The opposition was understood to have been voiced by Senators Borah, Idaho; Johnson, California, and LaFollette, Wisconsin, all Republicans, who were said to have criticised Mr. Taft's record and his nomination.

On roll call, however, only four votes were cast against confirmation. These were by Senators Borah, Johnson and LaFollette, and Senator Watson, Democrat, Georgia.

The final vote was 60 to 4. An agreement was reached not to make a public roll call.

Behind Closed Doors.

The senate's doors were closed for discussion of the nomination after suggestion that Mr. Taft be confirmed in "open executive" session because he is a former President had been rejected by his opponents.

Senators Borah and Johnson led the fight on the floor in opposition to Mr. Taft, while he was defended by about a dozen senators, including Knox, of Pennsylvania, Kellogg, of Minnesota, and Willis, of Ohio, Republicans, and Underwood, of Alabama, minority leader; Smith, of South Carolina; Overman, of North Carolina, and Broussard, of Louisiana, Democrats.

Senators Borah and Johnson were understood to have centered their fight on Mr. Taft's legal training, experience and qualifications. According to reports filtering out from the senate chamber, Senator Johnson was said to have declared that Mr. Taft's appointment was "purely political." A similar charge, it was reported, was made by Senator Borah.

Taft a Politician.

Senator Johnson, it was stated, asserted that Mr. Taft had not regarded himself as a lawyer, but as a politician and had "abandoned" his profession after leaving the White House.

The defense of Mr. Taft, it was said, was led by Democrats. Senator Underwood said that Mr. Taft had made himself "beloved by the South," adding that this sentiment was due largely to Mr. Taft's appointment, when President, of a Southerner, the late Chief Justice White, to the highest judicial position of the country. Similar statements, it was reported, were made by Senator Broussard, of Louisiana, the native state of the late chief justice.

Much Praise For Taft.

Mr. Taft's legal learning was praised, it was said, by Senators Knox and Willis, the latter referring to his experience on the bench in Ohio.

Senator Kellogg, it was said, referred to the positions of honor held by Mr. Taft in bar and similar associations.

Southern senators, it was reported, with the exception of Mr. Watson, of Georgia, were solidly behind the appointment. Senator Smith, of South Carolina, it was stated, discussed the race question, commending Mr. Taft, it was said, for refusing to appoint any but white men to office in South Carolina.

WANTS TO GET HOARDED SAVINGS OUT OF OLD SOCKS.

Sullivan, Ind., July 3.—A billion dollars which should be in circulation to assist the coming industrial revival, is being hoarded in American stockings, Will H. Hays, postmaster general, declared today in announcing plans for revision of the postal savings system, to make it more attractive to potential depositors.

Through his reorganization plans Mr. Hays hopes to draw the hoarded wealth of the country out of its hiding places into useful channels. The present treatment of depositors in the postal savings bank, he said tonight after conferences with middle western bankers, amounts "almost to fraud," while the government has profited at the expense of the depositors to the sum in the last year of \$1,720,000.

How It Happened.

A philanthropist has given this version by an East-End child of the story of Eden. She was sitting with other children on the curb outside a public house in Shoreditch, and her version of the story proceeded:

"Eve ses: 'Adam, 'ave a bite?'"
"No," ses Adam, "I don't want a bite!"
"Garn!" ses Eve; "go on, 'ave a bite!"
"I don't want a bite!" ses Adam."

The child repeated this dialog, her voice rising to a shrill shriek. "An' then Adam took a bite," she finished up. "An' the flamin' angel come along with 'is sword, an' 'e ses to 'em both: 'Nah, then—ah!side!'"—Evening News, London.

COMMENCING

WEDNESDAY MORNING, JULY 6TH,

ANNIVERSARY SALE

Fifteen years ago this business was inaugurated in a small store, in a small space, with a small stock. We celebrate, commencing Wednesday, in our Fifteenth Anniversary, not so much the wide spreading of the business, the enlargement of the store, the increasing of the space, as the big, true merchandising principles that have led to these results. We celebrate, then, on Wednesday, the Fifteenth Anniversary of the Wedding of Right Merchandise to Right Method, a wedding that has been continually approved by the public of Greensboro and Guilford, our customers, who have learned that here they would find the thing they wanted, right in every way—right in style, right in character, right in price, and that here they would receive the right treatment, founded on principles of fairness and squareness.

Beginning, then, Wednesday, with special decorations all over the store, with special savings at every counter and in every department—as low as the cellar, as high as the roof.

CAN WE FORGET SO SOON?

The secretary of the treasury has announced that \$3,000,000 is to be expended on the construction of hospitals and improvements on present hospitals for disabled soldiers of the recent war. Such a statement appears generous on the part of our liberal-hearted Uncle Samuel and one would gather therefrom that the government is undertaking to discharge in full measure its great responsibility of giving a square deal to the boys who sacrificed their limbs or their health in serving over-seas with the American forces.

An examination of the facts, however, discloses a situation which is nothing short of disgraceful. There are thousands of boys, over 40,000 in fact, suffering from tuberculosis, shattered nerves, insanity, blindness and innumerable other afflictions, and there is no provision for many of them in government hospitals. These are the same boys who a few months past were being proclaimed as our heroes, as modern Crusaders, going forth to free the world and preserve democracy. Returning home as casualties of the conflict some of them are to-day the objects of charity.

The government of this country can find as much as \$500,000,000 to spend for creating a greater navy, a larger amount for maintaining an army and hundreds of more millions for feeding the maws of munition workers, and yet a paltry \$3,000,000 is begrudgingly allotted in a grandiose manner for endeavoring to restore to health and usefulness the boys that offered their all for the sake of their country.

We entertain little patience with the attempted efforts to ram through Congress a bonus bill, allowing a billion dollars or more to the able-bodied young men of the country for their service. They are entitled to the gratitude of the nation, the deep and heart-felt gratitude, but we are opposed to the opening of the government treasury to any such raids. As for those who were wounded, who are not able to properly provide for themselves and their families as the result of their service, the nation is indebted to them and it is an indebtedness that cannot be repaid with money. Yet we should be generous to the last degree in providing for them, in giving them treatment and sustenance.

If the people of the country knew the exact situation we doubt most seriously if the secretary of the treasury would be making public announcement of so trifling an appropriation as \$3,000,000.

THE NEW CHIEF JUSTICE.

Most people are accustomed to regard the office of President of the United States as the most exalted political honor that can be bestowed upon a citizen of the nation. Yet we find William Howard Taft, one who attained the presidency, acknowledging in genuine appreciation after he had been appointed by President Harding to the position of chief justice of the Supreme court, that it was the realization of his life's ambition.

The elevation of former President Taft to this most responsible of judicial offices in the government of the nation will meet with general approval throughout the country. As chief executive Mr. Taft did not make for himself a brilliant record. A jurist by disposition and natural inclination, he was out of his prop-

er element when it came to jockeying with politicians and placating pre-hunters. When he was the nominee of his party for a second time, he suffered one of the most ignominious defeats that has ever been experienced by a presidential candidate. While it is true that a combination of circumstances, including Woodrow Wilson and Roosevelt's Bull-Moose party, contributed in no small measure to Taft's defeat, the vote was decisively indicative of the country's attitude.

Mr. Taft stands to-day in higher esteem than when he concluded the term of his office as president. He has filled in most satisfactory manner the very difficult role of being an ex-president, and during the intervening years he has come to be better understood and appreciated.

In the spirit of humility Mr. Taft approaches his new responsibility and his first statement following notification of his appointment was the expression of fear lest he would be unworthy of the high honor. A friend of the South, a staunch supporter of the league of nations idea, a man of broad experience, a distinguished jurist and a splendid gentleman, we believe that this section of the country will be pleased to see the mantle of the late Chief Justice White descend upon the shoulders of Mr. Taft.

Investors who have heretofore been tempted by rosy promises of wild-cat stock promoters, will do well to peruse the announcement of State Treasurer Lacy, who is offering bonds of North Carolina in such denominations that individual citizens can participate in the purchase thereof. These bonds will pay a good return and are backed by "The full faith, credit and taxing power of the state." At the same time the money will be rendering a service to the citizens of this state by the proposed improvements of roads, educational institutions and state hospitals.

Alamance county is advertising for bids on a strip of road work about five miles long, which, when completed, will finish its part of the state highway running east and west. It's beginning to look as if our enterprising neighbor is going to nose out an easy winner over Guilford, Forsyth, Wake, Durham and the other wealthier counties along the route.

Dempsey seems to have had a regular picnic in the big bout staged Saturday between himself and Georges Carpentier. The Frenchman is a good sport, a game pugilist and a nifty chap, but he returns home a battered and shattered idol. He perhaps earned every cent of his \$200,000 portion of the gate receipts.

It is reported that a government engineer from Washington will visit Forsyth this week to investigate the possibility of irrigation as a relief for the parching crops of that county. Unless the situation in this county improves, Guilford should be inviting a whole corps of engineers.

FARM FOR RENT

My farm on the Brown Summit-McLeansville road, one mile south of Doggett's mill, will be for rent next year (1922.) There are 370 acres in the tract. About 75 acres in cultivation. A large portion of which is now, and has been in clover, etc., and is in a condition for the production of good crops of all kinds of grain. A portion of this land is well adapted to tobacco. There are two dwellings, two grain and feed barns; also two tobacco barns and one tobacco pack house.

In view of the size of the place it will be necessary that I have a tenant with a good size force and stock to work same. I also want a progressive man that knows how to farm and preserve the soil fertility. I will be glad to communicate with any one interested. It is requested that references accompany application.

"I suffered for a long time with womanly weakness," says Mrs. J. R. Simpson, of 57 Spruce St., Asheville, N. C. "I finally got to the place where it was an effort for me to go. A different heat for every burner, if need be

YOU don't have to "rush the fire" to bake—two burners of the New Perfection Oil Cook Stove will give you all the heat you need. And you boil a vegetable and make coffee on the other two burners if you wish. Plenty of heat, just where you want it and in the right amount—none wasted. You can regulate it.

The white-tipped flame of the New Perfection gives an intense heat and keeps the bottoms of your utensils clean—doesn't soot them up. Hence it lightens labor. And the chimney is made long for a purpose; every bit of the oil you use has a chance to burn up completely and produce its full share of heat. This is a big item of fuel saving for those who use the New Perfection exclusively.

Kitchens equipped with New Per-

fections—over 3,000,000 of them—are invariably cooler and more comfortable to work in. It's a great relief to be rid of coal, ashes, dust and wood in the kitchen. And there are fewer corners to collect dirt.

The New Perfection is made in one, two, three, four and five-burner sizes—warming cabinet or not, as you prefer. Of course, you will want a New Perfection Oven, too.

Aladdin Security Oil gives uniform, satisfactory results. You should use it regularly. It is economical because it's pure—all heat.

New Perfection Oil Cook Stoves are sold at most department, furniture and hardware stores.

Saturday evening Mesdames C. T. Moser, S. A. Moser and A. V. Kirkman entertained at the latter's home in honor of their niece, Mrs. L. V. Kimball, formerly Miss Pearl Curtis, of Winston-Salem, a bride of this month. The whole affair was a surprise to the honoree. She had been invited to come to see Mrs. Kirkman, and upon arriving was surprised to find several of her friends gathered there. Shortly after the honoree had arrived, Master A. V. Kirkman, Jr., entered the room pulling an express wagon filled with interesting looking packages which he presented to the honor guest, Mrs. Kimball. The guests were then served with a tempting ice course.

IN MEMORIAM.

Alton Wiley Sikes.

Little Alton Wiley Sikes, son of Mr. and Mrs. L. E. Sikes, of Greensboro Route 4, was born December 19, 1916, and died June 20, 1921, age 4 years, 6 months and one day.

Alton was never a stout child and this together with his sweet and lovable disposition and being the only child made him, if possible, all the dearer to his parents.

We cannot understand why Alton was taken from our midst, still God knows best and we say "Thy will be done."

Funeral services were conducted June 21 from Buffalo Presbyterian church by the pastor, Rev. E. Frank Lee. Interment followed in the church cemetery.

The following served as pallbearers: Messrs. W. L. Wharton, W. T. Knight, L. W. McFarland and T. A. McKnight.

Flower-bearers were Mesdames W. L. Martin, W. T. Knight, J. H. Kellam, J. G. Coble, W. L. Wharton and Joe Phipps.

Much sympathy is felt for the grief stricken parents. But while the grave robs them of his body, yet glorious thought, it cannot rob them of his memory. It is photographed on their minds and embalmed on their minds forever.

Oh, how sweet it will be in that beautiful land,

So free from all sorrow and pain;

With songs on our lips and with harps in our hands,

To meet one another again.

Why You Should Put Your Money in a Bank

In the first place your money is safe. We have spent thousands of dollars making it a safe place for YOUR money.

Then, too, it is working for you—earning interest. In the third place, with money in the bank you have a certain credit and standing which cannot be secured by keeping your money at home.

Finally, you are far less apt to spend money which is in the bank. "A penny saved is a penny earned." That's as true today as when it was when you were a child. Come in and deposit your money with us.
