FUNERAL OF W. C. TUCKER YESTERDAY AFTERNOON

CHAIRMAN BOARD OF COUNTY
COMMISSIONERS DIED FRIDAY
AFTER LINGERING ILLNESS.

Funeral services for William Council Tucker, chairman of the board of Guilford county commissioners, whose death occurred at 7:30 o'clock Saturday morning, were conducted yesterday afternoon and his body was laid to rest near the scene of his childhood days in the cemetery of the Pleasant Garden Methodist church. Beautiful and exquisite were the numerous floral tributes that blanketed the new made grave in the little church cemetery and a vast concourse of sorrowing friends attended the services to pay their last respects to a splendid citizen and a faithful county officer.

For several weeks past Mr. Tucker had been gradually declining and the end came not unexpected. A few days prior to the final moment he realized the seriousness of his condition and he assured his wife of his readiness to meet his Saviour. During the year 1918 Mr. Tucker suffered the loss of a leg as the result of blood poisoning and while he continued until a few months ago in the active prosecution of his personal and official duties, there was a noticeable decline from that date in the robustness of his vigor and health. The immediate cause of his death was nephritis, his soul passing to the great beyond Saturday morning at the home of J. A. Odell, on West Market street in this city, where Mr. and Mrs. Tucker had resided during the past three years.

Mr. Tucker, a son of Mr. and Mrs. C. Madison Tucker, was born near Pleasant Garden on April 12, 1856. He engaged in farming until 1906, when he became the active head of the Pleasant Garden Company, a manufacturing and mercantile concern which proved a decided success. In 1913 Mr. Tucker was married to Miss May Hinshaw, a niece of Mr. and Mrs. J. A. Odell, of this city, and after the death of Mrs. Odell in 1918, Mr. and Mrs. Tucker moved to this city and lived with Mr. Odell.

As a member of the board of commissioners of Guilford county Mr. Tucker rendered conspicuous service for more than twenty years, he having been elected in 1900 to that office and having served continuously since that date. During the period of his service Guilford county has made notable progress in the matter of roads, schools and public institutions, and the sound, reliable judgment of Mr. Tucker has been in no small way responsible for the progressive policies that have been successfully carried out. Following the resignation from the board of W. C. Boren last December, Mr. Tucker was unanimously selected by his fellow members as chairman of the board, which responsibility he accepted and discharged in most capable manner. He was a strong advocate of education and was a willing worker for the advancement of its cause. He was converted early to the cause of good roads and was a member of the board when Guilford took the lead over surrounding counties back in 1908. While of a natural conservative temperament, Mr. Tucker was progressive in his ideas and his judgment was always sound and reliable. He enjoyed the confidence of his friends and fellow-citizens to a marked degree and during the long period of his public service there has never been so much as a breath of hostile criticism or suspicion cast upon his name.

Judge J. L. Webb, presiding over Superior court, adjourned at 12 o'clock noon Saturday and the various offices in the court house were closed out of respect to the memory of the chairman of the board.

The funeral procession left the Odell home in this city at 2 o'clock and proceeded to the Pleasant Garden church, where the service was conducted by Rev. A. G. Loftin, assisted by Dr. S. B. Turrentine, Rev. W. O. Goode, Rev. C. F. Sherrill, and Rev. A. W. Plyler. During his early boyhood Mr. Tucker had been converted in and had become a member of the Pleasant Garden Methodist church and he had always been a devoted member of that congregation. It was his heart's de-

CLERK GANT TO APPOINT NEW MEMBER OF BOARD

SUCCESSOR TO MR. TUCKER TO
BE NAMED BY M. W. GANT—
HIS THIRD APPOINTMENT.

On account of the vacancy caused by the death of the late W. C. Tucker, chairman of the board of county commissioners, it will become the duty of M. W. Gant, clerk of the Superior court, to appoint a new member on the board. Two members on the board as now constituted were originally appointed by Clerk Gant, W. C. Jones, of High Point, and L. T. Barber, of Gibsonville, having been appointed to the board by him, both having later been approved by the voters of the county at regular elections. There has been no intimation by Clerk Gant as to who his choice would be. It is expected that Pleasant Garden, the section from which Mr. Tucker came, will strive to have another representative appointed, while it is presumed that the Oak Ridge community will make a fight. At every vacancy occurring on the board in recent years, Oak Ridge has filed a claim for representation, but as yet that section has had but little success in landing one of its favorite sons on the county governing board. T. E. Whitaker, D. L. Donnell and J. B. Ogburn, of the Oak Ridge section, and C. T. Weatherly, of Pleasant Garden, were being mentioned to-day by friends as persons that will be suggested to Mr. Gant to fill the vacancy.

It will become necessary for the members of the board to select a chairman to succeed Mr. Tucker, who had served in that capacity since the resignation of W. C. Boren last December. J. A. Rankin and W. C. Jones are both being mentioned for the place, they being the oldest members in point of service now on the board, Mr. Rankin being the senior member. Both of them are capable men and either would make a good chairman. It is expected that the choice of a chairman will be made tomorrow at the regular semi-monthly meeting of the board.

Death of Mrs. Samuel Foust.

Mrs. Samuel Foust died in this city Sunday morning at 8 o'clock, her death occurring at a local hospital after an illness of one week. Funeral services were held at noon to-day from Gray's chapel, the party having left the late home of the deceased, 52 Maple street, Revolution, at 10:30 o'clock. The service was conducted by Rev. B. G. Whiteley and burial followed in the church cemetery.

The deceased is survived by her husband and nine children, Jamie, Lucy, Joseph, William, Theodore and Ona, Mary, Ruby and an infant four days of age. Two brothers, M. C. Lackey and B. R. Alford, half-brother, and three sisters, Mrs. Mat Breedlove, Mrs. Gurney Craven and Mrs. Harris Jennings.

It is said that his final remains be laid to rest in the church cemetery near the scene of his tender memories and fond recollections.

Serving as active pall-bearers were: S. L. Gilmer, E. P. Wharton, G. S. Boren, W. E. Allen, C. H. Kirkman, C. E. Glass, C. F. Neethley and H. L. Coble. The following were honorary pall-bearers: F. C. Boyles, A. L. Brooks, R. G. Vaughn, Capt. J. W. Fry, J. Norman Willis, Claude Kiser, C. W. Gold, J. E. Latham, G. A. Grimsley, J. I. Foust, John L. King, R. R. King, William Ragsdale, D. B. Stafford, R. H. Wharton, G. H. McKinney, Dr. W. M. Jones, T. R. Foust, Willis Booth, M. W. Gant, Dr. Dred Peacock, Dr. C. S. Gilmer, W. C. Boren, J. E. Wood Cox, J. Al Rankin, W. C. Jones, J. G. Foushee, L. T. Barber, J. R. Wilson, S. J. Scott, Andrew Joyner, Jr., E. L. Clark, John H. McAdoo, J. S. Phipps, J. F. Brown, G. T. Lane and M. D. Caffey.

The flower-bearers were as follows: Mesdames S. H. Isler, C. B. Clegg, T. C. Ward, F. P. Tatum, L. H. Martin, F. C. Boyles, C. E. Leek, C. W. Banner, Blanche Cair Sterne, Archie Willis, A. I. Smith, R. T. Willie, G. S. Boren, Don Stafford, W. E. Blair, John A. Kellenberger and W. M. Jones and Miss Bettie Allen Land.

JOHN WINDER FINED \$500 ON CHARGE OF RETAILING

CONVICTED ON TWO CHARGES,
MUST PAY FINE AND REPORT
GOOD BEHAVIOR.

John Winder, former owner of Winder's service station, was ordered to pay a fine of \$500 and directed to appear in court the first Monday in every third month for two years to show good behavior, following his conviction in Municipal court Saturday morning on a charge of having whiskey in his possession for the purpose of sale and his submission to a plea of nolo contendere on a charge of retailing whiskey. The defendant was required to file bond in the sum of \$1,000, the bond to be forfeited if he fails to comply with the terms of Judge Collin's judgment.

Every inch of available space in the limited quarters of the Municipal court room was more than filled when the case was called for trial at 9:30 o'clock Saturday morning. The defendant, through his attorneys, entered a nolo contendere to the charge of retailing, the submission being accompanied by an explanation that the defendant wanted it understood that a mere technical violation of the law was admitted. Not guilty was the plea entered as to the charge of having whiskey for the purpose of sale.

Judge R. C. Strudwick and L. H. Martin were the principal witnesses introduced by the prosecution. Judge Strudwick testified that he had bought a quart of fine whiskey from Mr. Winder, having paid \$10 for the same, and that there was no profit in the transaction made by Mr. Winder, it having been a mere friendly accommodation. Mr. Martin testified to having witnessed the sale made to Judge Strudwick. Mr. Martin also testified that while Winder was in charge of the service station that he kept a sample of whiskey on a shelf in his office, which he offered to purchasers of gasoline, and that he had witnessed other liquor transactions between Mr. Winder and unknown parties. Mr. Martin testified that on most of such occasions he left the room in order that he would not witness the affairs.

Policemen Steele and Scott, officers that made the arrest after finding seven quarts of imported liquor in the Winder home on Sunday morning, testified in regard to incidents leading up to the charges being preferred against the defendant. At this stage the "testimony" was introduced, eight bottles of vermouth and cognac, which were impressively deposited on the judge's stand directly in front of Hizzoner. The bottles bore labels dated 1904 and they provoked many whispered remarks of a witty nature, as well as thirsty glances from the attorneys and perspiring spectators. The officers testified that the whiskey was found in the pockets of Winder's clothes after a search of the home had been made.

The defense offered no testimony except a host of character witnesses. They included some of the most prominent men of the city and were so numerous that they could hardly find room in the court room at the same time.

The defendant was represented by Col. John A. Barringer, O. L. Sapp, B. B. Vincent, A. C. Davis, E. D. Broadhurst and A. H. Mebane. E. D. Kuykendall, city prosecutor, represented the state.

N. C. C. W. OPENS WITH RECORD-BREAKING CROWD.

The formal opening of North Carolina College for Women for the 1921-1922 session was held this morning at 8:30 o'clock when the first chapel exercises were conducted. The registration of students has approached the 1,000 mark, exceeding already the totals of last year by more than 200. The exercises were presided over by Dr. J. I. Foust, president of the institution.

The dormitories at the college have been completely filled and a few students have been placed in private homes near the college. Lack of space is the only thing that has prevented the enrollment from passing on beyond the 1,000 mark.

PATRIOTS HAVE WON TWO OF THREE GAMES IN SERIES

LOCALS WON THURSDAY AND
FRIDAY WHILE HIGH POINT
TOOK GAME SATURDAY.

Two out of the three games already played in the series of contests now being waged between Greensboro and High Point to determine the championship of the Piedmont Baseball League have been garnered by the local nine and the Patriots will journey to the Furniture City this afternoon in an endeavor to lengthen their lead. In opening game of the series, played Thursday afternoon in this city, Greensboro defeated High Point by the score of 6-3, while on Friday, playing on the High Point diamond, another victory was won by Carroll's outfit by the tune of 6-4.

Saturday afternoon, in the presence of a crowd that resembled in numbers the record-breaking attendance that is always present for the Virginia-Carolina game, High Point won by the score of 15-13. It was a genuine sweat-feast, players on both sides hitting as they had never hit before and one the conclusion it looked as if the victory would be won by the team that could display the greatest endurance. Hit and run was the order of the game, even from the first inning when High Point scored 5 and the locals 3, but during the two hours and a half of play the vast crowd remained to a fan and waited without display of surprise at any of the numerous freakish things that happened.

High Point exhausted four pitchers, as did also the home nine. Holt and Waldron, both High Point players, secured home runs, Waldron's drive over left field fence in the eighth inning having scored the two decisive runs. Eldridge, sometimes known as Reuben of Sporo, took the mound for High Point but he could not stand up for long under the pounding of the Patriot swatters. He was relieved by Nichols, who in turn was succeeded by Frennick who later yielded to McBride. Among those tossing the ball in successive order for the Patriots were E. Smith, O'Quinn, Ferriss and Sadler, but none of them were able to check the visiting batters who appeared to be in a slugging mood.

Greensboro needs two more games to win the series while if High Point gains the pennant her team must win three more victories. The games have been well attended each afternoon but Saturday's contest, with an estimated attendance of 5,000 people, surpassing anything during the present season.

BODY OF MAURICE LAY, ZR-2 VICTIM, TO ARRIVE TODAY.

Mrs. Maurice Lay, widow of chief petty officer Maurice Lay, a victim of the ZR-2 disaster, was notified that the body of her late husband is expected to arrive in Greensboro to-day.

Memorial services were held in New York Saturday in honor of the 16 Americans to lose their lives when the giant dirigible crumpled and crashed in flames to the Humber river while on a trial flight in England last month. Many notable officials, of this and foreign governments, attended the exercises in New York, after which all of the bodies except one were forwarded to the homes of nearest relatives. One officer, as final request before death, asked that his body be buried at sea. After the ceremony in New York his remains were placed on a naval vessel and after a service on the water his body will be lowered into the sea.

Funeral arrangements for Mr. Lay have not been definitely completed, owing to the uncertainty as to the expected hour of his arrival. Mrs. Lay lives with her mother, Mrs. R. C. Ridge, on Blandwood avenue.

Death of Mrs. Sallie Sharpe.

Mrs. Sallie M. Sharpe, aged 63, who lives near Madison, died in a local hospital last Thursday after an illness of 12 days. The body was taken to Stokesdale Friday where funeral services were held that afternoon at Sardis church, with Rev. Mr. Crouch officiating.

CONE PARK GRAND STAND DESTROYED BY FIRE

BOTH STANDS SWEEP AWAY BY
BLAZE BUT BLEACHERS
WERE SAVED.

Both grandstands at Cone park were destroyed by fire Saturday night, the devastating blaze being first discovered a few minutes before 9 o'clock. Two companies of the city fire department responded to the alarm and did good work in preventing the flames from wrecking the adjoining bleachers. The city hose could not be connected with the hydrants located near the park, the system used there having been installed by the Proximity Manufacturing Company and being supplied with water from the company's private plant. Owing to this fact the firemen were limited to the use of chemicals, by means of which they preserved the bleachers flanking either grand stand.

The fire occurred at a most inopportune time, coming as it did during the midst of the championship series now being played by High Point and Greensboro. It is believed that a cigarette tossed underneath the center of the main grand stand was responsible for the damage.

Pitcher Mike O'Quinn, of the Patriots' squad, was the first player to reach the scene after the fire had been discovered. He did valuable work in rescuing equipment belonging to members of the team, remaining in the club house in his efforts to save as much as possible until the burning timbers fell through the compartment. Notwithstanding his good work, however, a considerable loss was suffered by members of the local team and the club in personal belongings and equipment.

The Cone park is owned by the Proximity Manufacturing Company, it having been leased to the Greensboro baseball club during the present season. The loss entailed by the fire has not been estimated.

MRS. M. W. GANT BEGINS SUIT AGAINST CABARRUS OFFICER.

W. O. Allen, a motorcycle officer of Cabarrus county, was defendant in an action instituted in the Superior court of this county last week when Mrs. Mason W. Gant filed a complaint seeking recovery of damages for alleged false arrest, the wrongful collection of \$7.50 from her and wilful, malicious and unlawful acts of the officer. Punctive damages in the sum of \$1,000 and damages for the false arrest in the sum of \$1,000 are requested in the complaint.

It is alleged that the plaintiff, together with her four children, passed through Cabarrus county enroute to Forest City on July 29, 1921. A few miles before reaching Concord the motorcycle officer passed her car on the road, later dropped behind her car, and repeated this performance several times before reaching Concord. After passing Concord it is alleged that the officer again appeared on his machine, that he kept just a few feet ahead of the automobile in which plaintiff and her four children were riding, and that owing to the dusty condition of the road that they were covered with dust. Owing to the cloud of dust thrown upon her and her children, the plaintiff directed her son, William, who was driving the car, to pass the man. When this was done the officer, according to the complaint, placed the plaintiff under arrest, frightening herself and her children, and that she was informed that unless she paid him \$7.50 she would be forced to go with him back to Concord for trial. Under these circumstances, it is alleged, the plaintiff paid the toll and proceeded to her destination.

The plaintiff is represented by King, Sapp & King, attorneys of this city.

Numerous complaints have been heard in this county from automobilists concerning alleged unfair methods practiced by officers in holding up cars and extracting toll. This is the first instance in this community, however, where any one has dared to seek redress and the case will be watched with interest by citizens throughout the state.

COUNTY SUNDAY SCHOOL CONVENTION AT MORIAH

SUCCESSFUL MEETING HELD—
N. L. EURE RE-ELECTED
PRESIDENT.

The annual convention of the Guilford County Sunday School Association was held last week at Moriah Methodist Protestant church, the meeting closing Friday night.

The election of officers on Friday afternoon resulted in the re-election of N. L. Eure, of this city, as president of the association; Fred N. Tate, of High Point, vice president, and T. D. Sharpe, of this city, secretary-treasurer. Mrs. C. L. VanNoppen was selected to head the children's department, Waldo Porter to be superintendent of the intermediate department, and Dr. Dred Peacock in charge of the adult department. J. D. Wilkins was selected to superintend the administrative work. The executive committee will be composed of W. E. Allen, H. B. Gunter, J. D. Wilkins, J. A. Kellenberger and G. F. Newman, of Greensboro; I. L. Trogdon, of Climax; Jos. D. Cox, of High Point, and F. S. Blair, of Guilford College.

The opening meeting of the convention was held Thursday night when a large attendance was present. Delegates from 54 Sunday schools, 11 superintendents and five pastors, together with many interested visitors were among those present. Miss Daisy Magee and D. W. Sims delivered the principal addresses on Thursday night. Miss Magee spoke on worship and music in the Sunday school while Mr. Sims who is general superintendent of the North Carolina Sunday School Convention, spoke in an interesting manner on "The Book from the Land of the Book."

The session Friday began at 10:30 o'clock in the morning and the program for the day was an interesting one. Dinner was served on the grounds and during the afternoon Miss Flora Davis gave a pleasing demonstration of story telling.

The convention was declared by those attending the meetings as being one of the best that has ever been held in the county.

FIVE NEGROES ARRESTED ON CHARGE OF ROBBERY.

Five negro men, all strangers in this city, were arrested Thursday while four of them were caught in the act of attempting to remove clothes from the Federal Clothing Company, on South Elm street. One of the party admitted to the police that the gang had been operating in neighboring cities and it is believed that they have been traveling about the state, robbing stores in various places.

One of the men engaged the attention of a clerk while the other four went to the rear of the store. It was an old game, however, and one that had only recently been worked on this same firm. As a result of their suspicious activities, three plain clothes officers appeared on the scene in a short while and all of the men were placed under arrest. They gave their names as Wilbur Hunter, George Williams, Jack Hudson, William Harrison and Grant Grantland.

D. L. DONNELL, OF OAK RIDGE, SUCCEEDS W. C. TUCKER AS COUNTY COMMISSIONER.

D. L. Donnell, of Oak Ridge, was appointed this afternoon by Clerk of the Superior Court M. W. Gant, as a member of the board of county commissioners to succeed the late W. C. Tucker. Mr. Donnell is at present a member of the general assembly of North Carolina, having represented this county at the last session. Mr. Donnell will likely resign as a member of the general assembly.

It is expected that the appointment by Clerk Gant will meet with general approval throughout the county. Mr. Donnell is engaged in farming, mercantile and lumber business, and is regarded as one of the most prominent and successful young men of that section.

READY TO REPORT TAX MEASURE TO THE SENATE.

Washington, Sept. 16.—Revision of the house tax bill virtually was completed to-day by the senate finance committee which under the present agreement will report to the senate a measure having these outstanding proposals:

Repeal of the excess profits tax as of next January 1, as proposed by the house.

Reduction of the income surtax rates from a maximum of 65 per cent to 32 per cent effective next January 1.

An increase in the corporation income tax from 10 per cent to 15 per cent, effective next January 1, instead of 12 1-2 per cent as proposed by the house.

Repeal of the corporation capital stock tax of next year.

Retention of present rates on express packages and oil by pipe lines, and retention of the taxes on freight and passengers for the calendar year 1922, only at half the present rates of 3 per cent and 8 per cent respectively. The house proposed repeal of all of these taxes as of next January 1.

Rearrange Income Taxes.

In agreeing to the house maximum surtax rate of 32 per cent the senate committee adopted to-day a rearranged schedule of rates under which individuals having incomes of from \$5,000 to \$6,000 would be relieved of the present surtax of 1 per cent. Beginning with incomes of \$6,000 and ending with those of \$20,000 the rate in each bracket would be reduced 1 per cent. In the brackets from \$20,000 to \$34,000 the existing rates would be increased one per cent and in the brackets from \$34,000 to \$66,000 the present rates would stand. Incomes of \$66,000 or more would be taxed at the maximum rate.

Members of the committee explained that through this plan and the increased exemption allowed to heads of families and on account of dependents there would be a reduction of the income taxes all along the line except in the case of single men having incomes of \$5,000 or less.

The loss in revenue through the rearrangement of the surtax rates was estimated by treasury experts at \$18,000,000, making the total annual loss in individual income taxes \$178,000,000 including \$90,000,000 through reduction of the maximum surtax rates and \$7,000,000 through increased exemptions to heads of families and on account of dependents.

A final vote on the bill was deferred to-day until next Wednesday but the committee will hold another session tomorrow to gather up loose ends. At that time Senator Smoot will offer his substitute bill and Senator Calder, Republican, New York, plans to introduce his proposal for a tax of \$5 a barrel on 2.75 per cent beer.

Removes Tax on Medicines.

The committee reconsidered to-day its decision to include in the bill a manufacturers' tax of two per cent on proprietary medicines, and adopted the house proposal to remove all taxes on these articles. Its proposal for a four per cent tax on cosmetics, perfumes and toilet preparations in lieu of the present stamp taxes, effective next January 1, stands, however.

In order to make the taxes on soft drinks uniform, the committee voted to fix the tax on finished fountain syrups at 7 1-2 cents a gallon, instead of ten cents.

The house plan to impose a five per cent manufacturers' tax on the entire wholesale selling price of a number of articles if sold in excess of specified amounts was amended so that the tax would be paid only on that portion of the selling price in excess of fixed sums.

The house proposal for taxing life insurance companies was approved except that they would be required to pay a 15 per cent tax on their investment income, effective as of last January 1, instead of a 12 1-2 per cent rate. The present taxes on premiums would be repealed as of next January 1. Fire, marine and other insurance companies would be taxed as at present except that the higher corporation income tax would be imposed.

A TIP!

For the past year the sale of Farms has been slow—mainly due to the low price of farm products.

But a change is here. Tobacco is selling at a much higher price than last year. The price of cotton is advancing steadily. In the South there is being produced this year ten million acres more of Food and Feed Stuffs than last year.

You catch the meaning? There is going to be a big demand for Farms this fall. And Farm Lands are Going Higher!

ARMY BODIES HAVE ARRIVED IN NEW YORK.

New York, Sept. 16.—Resting in flag-draped caskets, covered with masses of flowers and guarded by armed men of a friendly, foreign nation, the bodies of Commander Louis H. Maxfield and fourteen of his comrades—victims of the ZR-2 disaster—arrived home to-day on the British cruiser Dauntless.

It was a far different home coming than the victims had anticipated when they sailed several months ago for England to prepare and bring back the monster dirigible, the disaster to which on a trial flight, sent forty-two heroic men of two nations to their untimely death.

Far out at sea, the Dauntless was met by a destroyer division of the United States army. As it neared port, the escort was augmented by a fleet of seaplanes, representing the arm of the service for which the victims gave their lives. As the funeral ship came up the harbor, the forts thundered a salute, church bells tolled on the Brooklyn and Staten Island shores and passing craft dipped their colors in reverential salute.

The Dauntless proceeded directly to the navy yard in Brooklyn where British sailors tenderly carried the bodies from the deck of their craft and delivered them to the keeping of their former comrades-in-arm on the pier. Tonight the flag-draped caskets were under the watchful eyes of a guard of honor in the yard chapel, where tomorrow they will be rendered the honor that the navy pays to its heroic dead.

The fifteen caskets each draped in an American flag were carried on what is known as the after superstructure deck of the Dauntless. A monster gun, its muzzle in funeral colors, stretched over the bodies, arranged in three rows on the war-craft's deck.

Crew Stands at Attention.

At each corner of the deck as the vessel was warped into its pier stood an armed sentry with head bowed and arms reversed. Forward of the platform was a non-commissioned officer, and aft an officer in full dress uniform having a rank equal to that of Commander Maxfield. Both of these officers stood at attention with head uncovered until the caskets were finally removed from the ship.

On the decks of the cruiser the entire crew of 400 men with the exception of those on duty, were drawn up at attention. On the quarter-deck was a guard of the royal marine light infantry, standing rigid with reversed arms.

A silence, almost sepulchral in effect, hung over the funeral ship, as she proceeded up the harbor. Except for the barking of her guns, as they spoke 21 times in the usual salute of courtesy given by warcraft entering a foreign port, the only noise was the swish of water at her bow, the occasional clanking of a chain or a command, given in muffled tones.

As the Dauntless passed quarantine a navy tug carrying Captain C. M. Tozer, representing the secretary of the navy, and Commander C. R. Robinson, representing the commandant of the New York navy yard went alongside and the American officers climbed aboard.

At the navy yard the Dauntless berthed opposite the Brazilian battleship Minas Geraes, whose entire crew was standing at attention on deck. A company of blue jackets and a company of marines acted as an escort to Commandant Vogel Gessing and his staff, who were in waiting to receive the bodies. Rear

Admiral H. P. Jones, commanding the Atlantic fleet and Rear Admiral A. T. Long, chief of staff, were also present.

When the Dauntless was made fast, her commander, Captain Gilbert Stephenson and his staff, together with the American officers on board took their places near the ship end of the gangway. A whistle sounded and the British marine guard snapped into "present arms."

TOPICS OF PARLEY AT ARMAMENT CONFERENCE.

Washington, Sept. 16.—The state department has submitted to the powers invited to participate in the conference on the limitation of armaments a proposal of topics for the agenda and anticipates that an agreement will be reached on the subject matter before the conference meets.

What is believed to be a fair outline of some of the topics submitted by this government for approval follows:

Siberia—Territorial integrity of Russia, the open door and equal opportunity for economic activities, the powers acting as trustees until Russia shall have recovered and set up a central, representative government.

China—Formal guarantees of the open door and equal opportunity, the territorial integrity of China and the substitution of international co-operation for the past practice of seeking selfish, monopolistic advantages. In addition, the condition of China, politically and economically, necessitates that counsel, if not actual assistance, shall be given to China in order that she may better effect internal administrative, fiscal and judicial reforms.

Insular possessions in the Pacific—Fortifications or non-fortification, commercial opportunity, insular immigration and possibly the neutralization of certain island areas, including Yap.

DOG PROVES HERO BY SAVING WOMAN'S LIFE.

Dunn, Sept. 16.—Joe, a grizzled shepherd dog attached to the W. H. Holt household at the edge of Dunn, is a hero—savior of the aged Mrs. Martha Wood, mother of Mrs. Holt, who makes her home with her daughter.

Yesterday Mrs. Wood attempted to start a fire with a jug of kerosene she supposed to be kerosene. It was gasoline. The inevitable explosion covered Mrs. Wood in flames. She ran to the back porch, under which Joe was sleeping. He was awakened by the commotion, rushed to the woman's aid and pulled the burning clothing from her person without injury to himself or to her.

F. D. ROOSEVELT HAS INFANTILE PARALYSIS.

New York, Sept. 15.—Franklin D. Roosevelt, former assistant secretary of the navy and Democratic candidate for vice president at last year's election, is suffering from a mild case of infantile paralysis, his physician Dr. George Draper, announced to-day.

According to Dr. Draper's diagnosis, made immediately upon Mr. Roosevelt's arrival at the Presbyterian hospital from his summer home at Campobello, New Brunswick, he is slowly nearing recovery after suffering from the malady for four weeks.

"GOOD AND FAITHFUL" HELP PROFIT BY WILL.

New York, Sept. 17.—William H. Chace, late of Cutchogue, L. I., whose will was filed in Riverhead yesterday, left "to my dear friend" Grace D. Chitty, of No. 2172 Coney Island avenue, Brooklyn, the income for life from \$10,000, with power to will the principal.

He left to Hilda Anderson, "my good and faithful cook," \$300; to Hega Bresid, "my good and faithful waitress," \$200; to Olga Dalland, "my former good and faithful waitress and wife of my chauffeur, Olaf Dalland," \$200; to Olaf Dalland, No. 355 51st street, Brooklyn, "my good and faithful chauffeur," \$300; to Mary H. Bryan, Arlington, N. J., "my good and jovial cousin," \$1,000, and to Jennie F. Newberry, "my good and kind sister-in-law," \$1,000.

He left \$1,000 to Frank H. Chace, another relative. The rest of the estate, which is "over \$10,000," was left to Clarence H. Chace, a son, of No. 1250 East Seventh street, Brooklyn.

PLAYED THE "PIED PIPER" TO CHILDREN YEARS AGO.

San Jose, Cal., Sept. 17.—"Fatty" Arbuckle played the part of the "Pied Piper" to the children of Santa Clara, near here, where he lived years ago, according to a statement to-day by his stepmother, Mrs. Mollie Arbuckle, who is a washerwoman and charwoman. Her husband died four years ago.

"He was so big and good natured and so full of fun that the children used to follow him around to watch his antics," Mrs. Arbuckle said.

"He was always kind to me, but he never offered to support me and I never expected him to. I do not feel it was his place to support me. If he is innocent I want to see him cleared. If he is guilty I want to see him punished to the limit."

According to Mrs. Arbuckle, Roscoe Arbuckle is an uncle of Al St. John, motion picture actor, of Los Angeles. He has a brother, Arthur Arbuckle, in San Francisco, and another brother, Harry Arbuckle in Fresno, she said.

MAINE APPLE CROP BIG, OTHERS SMALL.

Wakefield, Mass., Sept. 16.—Prospects for a bumper apple crop in Maine, with more than double the production of last year, are noted in a report issued to-day by V. A. Sanders, crop statistician of the United States department of agriculture. This compares with a prediction for the United States as a whole of hardly more than half of the 1920 crop.

Mr. Sanders estimates Maine's crop at 550,000 barrels. It was 265,000 barrels a year ago. The fruit this year is somewhat under-sized but is of good quality and color.

The New Hampshire crop, Mr. Sanders finds to be about 25 per cent of last year, Vermont 75 to 80 per cent, Massachusetts 45 per cent and Connecticut 35 per cent. Prospects in Rhode Island are for a yield of about 10,000 barrels as against 70,000 a year ago.

WASHINGTON TENANTS ARE HAVING HARD TIME.

Washington, Sept. 16.—Washington landlords of apartment houses are getting harder and harder on their tenants. Leases for apartments offered for the year beginning the first of October in many cases now bear the notice that the Victrola and the "jazz" music will no longer be allowed. Prices of houses and apartments offered for rent are being held high as there is promised pickings from the delegates from foreign countries to the disarmament conference soon to hold the boards here. It is understood that many of the visiting delegations will be housed as a body in the various hotels. The report is that the French will be at the New Willard hotel, the Japanese at the Washington, the Italians at the Shoreham. The British embassy is endeavoring to secure some large residence to use for the delegation from the British empire.

SEPTEMBER 19, 1921.—PAGE 8.

We are distressed to learn of the death of Col. John W. Hinsdale, the oldest member of the Raleigh bar, who died Thursday in Raleigh.

Col. Hinsdale had celebrated his 78th year and had been a practicing attorney for 55 years last February. He was a Confederate soldier, a staunch Democrat and a splendid gentleman.

At the Arbuckle party in a San Francisco hotel last week, which resulted in the tragic death of a young lady of the party and the charge of manslaughter against "Fatty," it is reported that 40 quarts of whiskey were consumed. Which doesn't sound as if prohibition does any more prohibiting in the far west than in these parts.

There are a great many candidates for the position of associated justice of the Supreme court of North Carolina to fill the vacancy caused by the death of Judge W. R. Allen.

We suggest to the governor that if he shall see fit to appoint Judge Thomas J. Shaw, our Superior court judge, to this position that his appointment will meet with almost universal approval. It will be an appointment which will reflect credit upon the administration and the entire state.

The peanut growers of Eastern North Carolina are marketing their peanuts under the plan of Co-Operative Marketing of Farm Products. They organized under an act of the legislature of North Carolina passed in 1920.

If they do as well as the nut growers, orange growers, lemon growers, raisin growers, grapefruit growers and potato growers of other sections, they will make a marvelous success.

Cotton is being marketed under this plan in about six states of the Union to quite a large extent.

We desire to commend the rural carrier at Ronda, N. C., who prevented the robbery of the Savings Bank at that place.

An attempt was made by yeggmen to blow open the safe with nitroglycerine and the rural carrier reached for a shot gun and began operating on the gentlemen to such an extent that they got into their automobile and left the scene of action. In a little while the citizens joined in the pursuit and finally two men were captured at Winston-Salem and are being held pending investigation.

It takes a good deal of courage to do what this rural carrier did and we honor him for his grit.

CHAIRMAN W. C. TUCKER.

In the passing of W. C. Tucker the county has suffered the loss of a good citizen and a splendid official. For approximately twenty years he had served most faithfully as a member of the county board of commissioners, since last December as chairman of the board.

Mr. Tucker was a man endowed with the virtues of rugged honesty, perseverance, vision and common sense, a combination that is hard to keep down. He was ever zealous in promoting the best interests of the county. He was a man of the conservative type, never influenced by false emotions, sentiments or the flights of fancy and his sound business judgment was always exercised for the benefit of the county.

A valuable official and a worthy man has gone to his reward.

WORTHY OF A FAIR CHANCE.

One week from tomorrow and the career of the new Greensboro tobacco market will have been begun. Forgetting the past, and having successfully overcome the difficulties entailed by the stigma of an unsuccessful market in the days that have been, the new enterprise will be prosecuted with a vim and determination.

Of course it is recognized by one and by all that mere sentiment is not going to put the proposition across. We believe that the farmers of Guilford would really appreciate a first class market in their own county; that it would mean much for their convenience, much to their saving of time and much to their material benefit. Unless the local market pays the farmer as good a price for the product of his toil as does the Burlington, the Reidsville, the Winston-Salem or other markets, then we know that Greensboro will not be the marketing place of his choice.

The wide-awake, long-headed business men of this city have decided for once and for all that Greensboro is going to have a market that will be as attractive to the tobacco growers as any other place in the state. They have put much thought, much time, much endeavor and no small amount of money into the undertaking. If the farmers of this section desire a market conveniently located and accessible by good roads, then they should by all means give the local undertaking that which it has a right to expect, a fair chance.

And we believe they will.

LONG MAY IT THRIVE.

Reports from Oak Ridge Institute indicate that the opening of the present school year promises well for the 1921-1922 season. Notwithstanding an increase in accommodations, as well as the general depression that usually reflects on boarding schools, Oak Ridge has begun the season with an enrollment that fills the dormitories and exceeds anything in the history of the school.

Oak Ridge is a splendid county asset and during the long period of its useful career it has trained many young men and women into being better citizens. The Holt brothers, Professors Martin and Allen, laid a firm and lasting foundation for the institution, and since their departure Prof. E. T. Whitaker has carried on the good work in most effective manner.

We wish that this may be the most successful year in the history of Oak Ridge and that it may continue without interruption in its noble mission.

MR. BRYAN IS AN AUTHORITY.

In an address before the interstate farm congress held in New Orleans last week, William Jennings Bryan told the farmers that they are in a worse condition than they have been in 30 years—worse even than in 1893. If Mr. Bryan has declared thusly it must be true.

It is hardly necessary, however, for us to turn to the silver-tongued Bryan in order to ascertain such unpleasant information. Any farmer is able to render convincing testimony of the fact and if one is not then satisfied a personal visit through the farming sections, a most casual inspection of the parched and withered vegetation, is all sufficient.

Farming, like other human endeavors and even life itself, is nothing but a gamble. If the farmer is favored with luck he makes only a reasonable return for his investment and labor, while his year's efforts are often wasted when the elements turn against him. It does seem that the odds are too great for the recompense to be derived.

CHARGED WITH ATTEMPT TO ROB BANK AT RONDA.

Winston-Salem, Sept. 15.—Grady Cheek and Grady Smith, both of this city, were arrested here last night, charged with an attempt to rob the Deposit and Savings Bank at Ronda Wednesday morning early. They

were carried to Wilkesboro this morning to await trial.

An attempt was made by burglars to open both safes in the bank with nitroglycerin, the explosions awaking residents of Ronda, who at once started an investigation, frightening the robbers away before they were able to secure anything. By using a peculiar tread of a tire on the would-be-robbers' automobiles as a clue they were followed to Winston-Salem, and the arrest followed last night. Cheek admitted being in Wilkes on the night mentioned, but denies any connection with the attempted robbery. He says that Smith made the trip with him, but the latter states that he was nowhere near Wilkes on that night.

Cheek was at one time a member of the local police force, being discharged in November, 1919, while Smith was for a while a sanitary inspector of the city. Both have been arrested several times for various offenses.

Was Very Weak

"After the birth of my baby I had a back-set," writes Mrs. Mattie Crosswhite, of Glade Spring, Va. "I was very ill; thought I was going to die. I was so weak I couldn't raise my head to get a drink of water. I took . . . medicine, yet I didn't get any better. I was constipated and very weak, getting worse and worse. I sent for Cardui."

TAKE

CARDUI

The Woman's Tonic

"I found after one bottle of Cardui I was improving," adds Mrs. Crosswhite. "Six bottles of Cardui and . . . I was cured, yes, I can say they were a God-send to me. I believe I would have died, had it not been for Cardui." Cardui has been found beneficial in many thousands of other cases of womanly troubles. If you feel the need of a good, strengthening tonic, why not try Cardui? It may be just what you need.

Much Suffering Caused by Waste Products in the Blood

What Science Knows About the Matter and How It Is Best Treated.

The blood is more important than any of the organs. It is thru the blood that the whole human body is directly or indirectly nourished. The blood gets its nourishment from the intestines. The intestines also contain waste products—undigested foods, acids, gases and refuse, which sometimes get in the blood.

When waste products get in the blood, nature will strive to cast them out. If your resistance is strong enough, nature will probably succeed. But if you are "below par," weak, run-down, and nervous, nature will begin to show signs of distress.

As a result, you will have that feeling of fatigue. You will lack the energy you need for the day's duties and pleasure. Minor ailments will begin to affect you—pimples, blackheads, and boils.

If the waste products are not gotten out of the blood at this point, it is possible a more serious skin eruption or disease will begin to show itself.

It is not infrequent for waste products to settle in the muscles and joints and cause rheumatism.

Listen to nature's warning. Your blood is your fountain source of energy—therefore keep your blood rich and pure.

For over 50 years, thousands and thousands of men and women have relied on S. S. S. to clear their blood of waste products. S. S. S. will improve the quality of your blood by relieving you of the waste products which cause impoverished blood and its allied troubles—skin disorders, rheumatism and a lowered vitality.

Get S. S. S. at your druggist. Beware of substitutes. Write Chief Medical Director, Swift Specific Co., D-720 S. S. S. Laboratory, Atlanta, Ga. for special medical advice (without charge). He is helping people every day to regain their health and strength. Ask him to send you his illustrated booklet, "Facts About the Blood"—free. S. S. S. is sold by all drug stores.

CATARRH OF THE STOMACH

YOU CAN'T ENJOY LIFE with a sore, sour, bloated stomach. Food does not nourish. Instead it is a source of misery, causing pain, belching, dizziness and headaches.

The person with a bad stomach should be satisfied with nothing less than permanent, lasting relief.

The right remedy will act upon the lining of the stomach, enrich the blood, and remove the catarrhal poisons and restore every bodily function.

The large number of people who have successfully used Dr. Hartman's famous medicine, recommended for all catarrhal conditions, offer the strongest possible endorsement for

FIELD OFFICERS' SCHOOL ORDERED BACK TO BRAGG.

Washington, Sept. 16.—Twelve coast artillery commands were placed to-day on the reduced personnel basis in line with the reduction of the army to 150,000 men. Districts affected are: Portsmouth, N. H., New Bedford, Mass., Eastern New York, Southern New York, the Potomac, Cape Fear, N. C., Charleston, S. C., Savannah, Ga., Tampa, Fla., Mobile, Alabama, the Columbus (Oregon) and Baltimore, Maryland.

The field officers artillery school to-day was ordered transferred from Camp Knox, Tenn., to Camp Bragg, N. C., where it was previously located. Camp Bragg will be given its old status of operation and supply direct by the Secretary of War and orders recently issued, placing it under the commanding general of the fourth corps area, at Fort McPherson, Georgia, were ordered revoked by Secretary Weeks.

The headquarters of the tenth infantry brigade now marching from Camp Jackson, S. C., to Jefferson Barracks have been diverted to Camp Knox for permanent station. The eleventh infantry less two battalions, marching from Camp Jackson to Fort Thomas, Ky., also was diverted to Camp Knox for permanent station, and a battalion of infantry ordered from Camp Jackson to Columbus barracks, Ohio, was ordered to Camp Knox for permanent station with other troops.

RANDOLPH COUNTY TO HAVE FAIR THIS YEAR.

Asheboro, Sept. 16.—Randolph county fair will begin September 23, and continue until October 1. The first building on the fair ground was begun Wednesday morning and is to be 30 by 150 feet. This will be the exhibit building. In addition to this there will be thirty or forty stalls for the cattle. The chairman of the livestock department assures the people that this exhibit will be of unusual interest. All livestock will be examined by a veterinarian. Mrs. C. L. Cranford has charge of the fancy work, and Mrs. Laura Cranford the pantry work exhibit. These promise to be good. The exhibits will represent all industries of the county as well as products. A remarkably good line of attractions have been selected.

JAS. W. LASLEY KILLED BY PECULIAR AUTO ACCIDENT.

James W. Lasley, a prominent farmer of Stokes county and a brother of Mrs. M. W. Noah, of this city, died Friday in a Winston-Salem hospital, his death being attributed to injuries sustained when he was run over by his own automobile. The machine choked down and with the engine in gear, Mr. Lasley undertook to crank it. When the engine started the car ran completely over him and he died later in the day at a hospital in Winston-Salem.

Mr. Lasley has two brothers in this county, John W. Lasley and Sam I. Lasley, both of whom are well known.

Funeral services were held yesterday afternoon at 3 o'clock at Walnut Cove.

HIGHER TOBACCO PRICES HELP TO BOOST BUSINESS

Henderson, Sept. 16.—The latest reports from the tobacco markets in eastern North Carolina, telling of the steadily rising price of the weed, is helping materially to wipe out some of the gloom and pessimism that has pervaded business circles during a lean summer. Some of the business men expect tobacco to open next Tuesday in Henderson at an average of 14 to 15 cents, depending largely upon the quality of tobacco offered. It is the belief of best opinion that there is a considerable quantity of some high grade tobacco in Vance county, and some of the farmers, especially in localities where there have been rains, will market even the highest grades of tobacco. The general agreement among the tobacco men is that the best type will sell for a good price.

Bears Her Twenty-Second Child.

Omaha, Neb., Sept. 16.—Mrs. Earl M. Rowray, forty-one, gave birth to her twenty-second child yesterday. Mrs. Rowray became a bride at fourteen and a mother at seventeen. She has been married twice. By her first husband she had twenty children. Four years ago he died and she married a man twenty years her junior.

COMMISSIONERS' SALE.

Pursuant to an order of the Superior court of Guilford county in a special proceeding entitled Lou Cassie Yow, et al, vs. Vernon Yow, et al, the undersigned commissioners will on

Monday, October 10, 1921,

at 12 o'clock noon, at the court house door in Greensboro, North Carolina, offer for sale to the last and highest bidder for cash, the following described tracts or parcels of land situated in Guilford county, North Carolina, bounded as follows:

First Tract. Beginning at a stake on the north side of Schenck street, 261.43 feet east of the eastern margin of Edgeworth street, same being the southeast corner of land conveyed to R. C. Yow by J. W. Richardson, and running thence north 3 degrees 23 minutes east 191.25 feet to a 20 foot alley; thence south 86 degrees 37 minutes east along said alley 54.75 feet to a stone; thence south 3 degrees 23 minutes east 187.1 feet to Schenck street; thence westwardly along Schenck street 55 feet to the point of beginning, being lot No. 3 of the Caldwell lands.

Second Tract. Beginning at a stake on the north side of Schenck street, originally Abbott's corner, and running thence north 3 degrees 23 minutes east 195 feet to an alley; thence south 80 degrees 37 minutes east along said alley 54.75 feet to an iron pin; thence south 3 degrees 83 minutes west 191.25 feet to an iron pin in Schenck street; thence west along the northern margin of Schenck street 55 feet to the beginning, same being lot No. 4 in the plat of the Caldwell lands.

The highest bid or bids will be reported to the court and will lie on file twenty days before being approved or rejected by the court. The highest bidders will deposit 10 per cent of such bid with the commissioners as an evidence of good faith. The remainder of the purchase money must be paid within thirty days after the sale is confirmed and will bear interest from the date of confirmation.

Put it to any Power Task

While the Fordson Tractor has power in plenty to drag plows and harrows through the heaviest soil, it is light enough, small enough and so easily controlled that it can handily be put to many tasks about the farm, that will save you time, money and work.

In fact the Fordson will do every power job, both draw-bar and belt, more quickly and at less cost than it can be done with any other form of power. So every month the whole year 'round the always dependable Fordson will prove itself a paying investment, because of its capabilities, its economy and efficiency.

We will gladly explain and demonstrate to you the many Fordson money-making, time-saving features. Call, write or phone.

"Read 'Em."

We are FORCED to raise a large amount of cash in the next eleven days to meet our outstanding obligations, which we realize will mean a great loss to us at this time, cost and profits must be forgotten. Necessity knows no mercy, we are simply FORCED to sell no matter how great the value. We know that low prices alone are the only salvation to our great misfortune. Therefore our orders are to **SELL, SELL and SELL**, regardless of all other losses. Our one big object in mind is to turn our mammoth stock of men's, women's and children's wearing apparel into cash. **IMPORTANT!** Don't class this sale with the many so-called closing-out or reduction sales where just a few items are marked low to draw you in; this is not an ordinary, but rather an extraordinary, money-saving event, on new fall seasonable merchandise of our regular stock, not a lot of unsaleable shelf-worn goods bought special to fool the public. Every item in this mammoth stock has been cut to rock bottom and in many instances far below the actual cost of production to-day. Nothing reserved! Seeing is believing. Be here when the doors open, Tuesday, September 20, at 9 A. M. sharp. Come and make us prove our statements.

**CAUGHT BIG STILL IN
FENTRESS LAST WEEK.**

An illicit distillery of 80 gallons capacity was captured last week in Fentress township and at the same time Ed Murrow, 16 year old white boy, was arrested for being implicated in the operation of the plant. The raid was conducted by Deputy Sheriff C. D. Ross, accompanied by a number of citizens of that community, and when the party came upon the still they found the youth in charge alone, three men having disappeared through the woods when the visitors appeared. Over 2,000 gallons of beer and about 50 gallons of whiskey were poured out.

Woodard-Cordell.

Miss Blanche Woodard and James Fletcher Cordell, both of this city, were united in marriage Saturday night at the home of the bride's brother, C. R. Woodard, the ceremony being performed by Dr. J. **E. R. GARRETT AND MISS
BLANCHE MORRIS MARRIED.**

Miss Blanche Morris, daughter of G. F. Morris, of Troy, became the bride of E. R. Garrett, farm demonstration agent for Guilford county, in a wedding ceremony solemnized last Thursday night at the home of Rev. T. A. Sikes. The marriage was witnessed by only a few intimate friends and relatives of the contracting parties.

Mrs. Garrett was a member of the faculty of North Carolina College for Women last year. She is a graduate of Brenau College and is an attractive and charming woman. Mr. Garrett, a graduate of North Carolina State College, came to this county during the present year as farm demonstration agent. During his brief residence in this county he has cultivated many warm friends.

Mr. and Mrs. Garrett will make their residence in the Cunningham home, corner of Mendenhall street and Guilford avenue.

**J. H. JOHNSON RESIGNS AS
FEDERAL PROHIBITION AGENT**

J. H. Johnson, who for the past six and one half years has served as federal prohibition officer with headquarters in this city, has resigned his work with the prohibition forces and announces that he will return to his farm near Groometown. The resignation of Mr. Johnson will be effective October 1, but during the intervening period he has been granted a leave of absence which dated from Saturday.

The retiring officer has rendered efficient service in the fight against blockaders. He has participated in raids that resulted in destruction of approximately 1,000 distilleries. Mr. Johnson expressed appreciation of the assistance given him by Sheriff D. B. Stafford and his deputies, attributing in large measure the success that he had experienced to the co-operation of the county officers.

**MRS. R. B. STUART DEAD;
SERVICES HELD SUNDAY.**

Mrs. R. B. Stuart, aged 27 years, died at a local hospital Friday night about 9.30 o'clock. Mrs. Stuart had been ill for several weeks, but her illness was not considered serious, and her death was entirely unexpected.

She is survived by her husband, R. B. Stuart, better known in baseball circles as "Tim" Stuart; her parents, Mr. and Mrs. R. T. Thomas; one brother, James R. Thomas; and two sisters, Mrs. Bruce Cantrell and Mrs. Gordon West, all of Greensboro.

Funeral services were held at Centenary Methodist church Sunday afternoon at 3 o'clock, Rev. H. E. Sprinkle officiating. Interment was made in Greene Hill cemetery.
