WAITING EXPECTED BLOW

NEW PHASE OF OFFENSIVE NOT YET BEGUN—AMERICANS ARRIVING.

Still another day has passed without the Germans on the western front attempting to commence a new phase of their offensive. Everywhere along the line there have been artillery duels, at some points of considerable intensity, and the allied armies are lying in their positions waiting with expectancy, and also with perfect confidence, the blow that they realized soon will fall at some point in Flanders or Picardy.

Nowhere have there been any important operations which arose in importance above raids. Southwest of Arras, near Neuville-Vitasse, the Canadians Monday night carried out a successful stroke, killing a number of Germans and capturing three machine guns. The French in the Aisne sector also were successful in a similar maneuver. In addition they repulsed an attempted German attack.

Doubtless the heavy ground, due to the rains, is holding back the preparations of the Germans, for it is no easy task to move up men, guns and supplies over the morass in the shell furrowed territory to the front. Meanwhile the allied line everywhere is being reinforced to meet the enemy when again he unhesitatingly launches his attack. The Americans are taking a prominent part in strengthening the line.

M. Clemenceau, the French premier, who has just returned to Paris from a visit to the battlefield, is a authority for the statement that the American troops are continuing to advance in the battle zone in force.

An indication of the heavy fighting the British are being forced to withstand is contained in the list of casualties reported during the week ending Tuesday. This list shows a total of 39,691, of which number 6,555 officers and men were killed or died of wounds. In the aggregate the casualties are the heaviest reported in a single week of fighting. It is probable, however, that the figures do not represent losses on the western front alone, but also take into consideration the men killed, wounded or made prisoner in the Turkish and Macedonian theaters, where recently there has been intensive fighting.

Considerable political turmoil has arisen in England over charges made by Gen. Frederick B. Maurice, former director of military operations at the British war office, who has recently removed from his post and sent to active duty in the field after he had made statements which were considered to be a reflection on General Foch, commander-in-chief of the allied armies on the western front.

In a letter appearing in a London newspaper, General Maurice charged Andrew Bonar Law, chancellor of the exchequer, and Premier Lloyd George with having made misstatements in the house of commons regarding military matters. A special court of inquiry is to investigate the charges.

Nicaragua Declares War

EXISTS WITH GERMANY.

Washington, May 7.—One by one the Latin-American republics are stepping into line in support of America and the entente allies in their struggle with the central powers. Today the state department was informed from Managua that Nicaragua government had decided to follow the example set by the United States and had declared state of war to exist with Germany.

While the addition to the list of belligerents of the little Central American republic may not appear to be of much military importance, the state department feels that substantial benefits accrue from its adherence to the cause.

Satisfaction is felt at the removal of dangerous German elements in the Latin-American countries which act as advance guards for German Kultur, and forward to Germany every scrap of military or naval information that might injure America and the entente. Moreover, looking to the future, there will be a great economic gain through the transfer to America and the entente nations of the commercial advantages now exercised by Germany in Latin-America.

YOUNGEST SON WILL BE PLACED AT THE BOTTOM.

Washington, May 7.—An agreement on the bill extending the selective draft law to youths 21 years of age since June 5, 1917, was reached today by senate and house conferees. The amendment of Representative Hull, of Iowa, providing that the additional registrants shall be placed at the bottom of the present eligible lists was retained.

The house conferees accepted the senate provision for exemption from the draft law of theological and medical students.

Immediate ratification by the senate and house of the conferees agreement on the measure will be sought, that there may be no further delay in its use in connection with the new draft.

Against Crowder's Wishes.

Provis: Marshal General Crowder opposed the amendment placing the new registrants at the bottom of eligible lists.

The conferees also adopted an amendment, which General Crowder also opposed, requiring registration of men already in the military service who have attained their majority since last June 5. General Crowder thinks this would be resented by some of the men in the service.

NEWTON HARDWARE DEALER IS UNDER \$5,000 BOND.

Hickory, May 7.—Miles S. Smyre, a hardware merchant of Newton, was held for the next term of Federal court at a hearing before United States Commissioner John F. Miller here this afternoon, on a charge of making decided pro-German remarks, and bond was fixed at \$5,000. Mr. Smyre was represented by W. A. Self, of Hickory. Postmaster Bagby, also of Hickory, represented the government. A number of witnesses were examined.

It was alleged that Mr. Smyre had remarked that the Kaiser had a higher sense of honor than President Wilson and volunteered the opinion that New York would soon be taken by the Germans and that then he would join the German army. However he maintains, it is said, that he was only jesting and it can be said in his behalf that he has purchased liberty bonds and war savings stamps.

SIXTEEN SHIPS WERE LAUNCHED LAST WEEK.

Washington, May 7.—Ten steel ships of 57,695 tons and six wooden ships of 21,500 tons were launched by American yards in the week ending May 5, the shipping board announced today. Twelve steel ships of 80,180 tons were delivered to the board complete in the same period.

Two of the ships delivered were tankers of 10,475 tons each. Twelve months' production at the rate ships were launched during the week would total more than four and a half million tons.

The weekly totals are beginning to show the steady increase which officials of the shipping board have predicted would come when the quantity production which they sought had been made ready. There still is some delay in steel delivered and fabricating plants are not turning out as much steel as can be used.

KU KLUX KLAN BOOSTS THIRD LIBERTY LOAN.

Oklahoma City, Okla., May 7.—The Ku Klux Klan is being reorganized. The famed Southern organization that spread terror to Yankee carpet baggers and overbold negroes during the days just following the Civil war is menacing disloyal citizens. In several sections of the South the Klan is getting together and its members have already appeared in a few places. The most impressive work was at Salsitook, a small Oklahoma town, where, during a liberty loan parade, sixteen horsemen, disguised and wearing the widening sheet that served as a uniform for members of the Klan, silently took their place in the parade. The horsemen carried three banners bearing a warning to three men who had declined to buy liberty bonds. Before the parade disbanded the three named on the banners had changed their minds and bought liberally.

EIGHT GUNNERS ARE KILLED

ACCIDENT TO GUN CREW WHILE PRACTICING NEAR FORT WORTH.

Fort Worth, Tex., May 8.—Eight American gunners were killed and seven injured, more or less seriously, near Benbrook, a few miles west of Fort Worth, when a three-inch shell exploded late today.

One gun crew, comprised of members of the headquarters company of the 141st infantry was entirely wiped out and a second crew from headquarters company of the 142nd infantry suffered heavy casualties. Six of the men were instantly killed and two died within a short time after the explosion. First reports that two trench mortars had exploded were erroneous.

An attempt on the part of a gunner to force the shell, which apparently did not fit, down a trench mortar, is believed to have been responsible for the accident. Sergeant Norman Bow, a Canadian, who is an assistant instructor, said tonight he saw a soldier attempting to force the shell and that he attempted to warn the gunner. The explosion came too quickly, however. Bow was lightly wounded by a fragment of the shell. The list of dead includes: First Lieutenant Alan J. McDavid, 142nd infantry, Overton, Texas. All of the dead and wounded are from Texas.

General E. St. John Greble, commanding officer of Camp Bowie, was standing less than ten yards from the scene of the explosion with his two aides, Captain Houghton and Lieut. Russell. They were uninjured.

Lieut. Col. Matcalf, division surgeon and an enlisted man, also stood nearby. The enlisted man was instantly killed, but Matcalf was unhurt.

The bodies of some of the victims were literally blown to pieces.

The 141st and 142nd infantry regiments were at the trench system near Benbrook and their firing practice was being watched from a distance by a large crowd of civilians. New mortars were being used for the first time and the sound of heavy firing at the camp had been plainly heard in Fort Worth since early morning.

The two gun crews, made up of men from the headquarters companies of the two regiments were operating the new mortars, which were located on a hill overlooking the trench system.

The entire breach of the mortar was blown out and fragments flew in every direction.

EMPLOYEES THREATEN TO BURN PRO-GERMAN.

A special from Roanoke, Va., of the 4th to the Richmond Journal, says:

Rescued from fellow-workmen, who threatened to tar and feather and burn him, Archer Parry, a laborer in the west yards of the Norfolk and Western railroad here, is held by federal authorities on a charge of violating the espionage act. Parry, according to the statement of the shopmen, was a member of a religious sect founded by the late Pastor Russell, and has been violent in denouncing all phases of war work, declaring that Germany will win this war despite America.

From secret information secured by federal authorities the shopmen had become greatly incensed and had set the noon hour today as the time when they intended to tar and feather and burn the man. When arrested Parry made no attempt to deny the charge, officers say. Parry is fifty-five years old and has been a worker here for many years. He has a son in the American army in France.

Will Increase Railroad Salaries.

Washington, May 8.—All railroad employees whose monthly pay in December, 1915, was less than \$250 a month have been recommended for wage increases by the railroad wage commission. The recommendations, if adopted by Director General McAdoo, would give the workers \$100,000,000 in back pay to January 1, and would add \$288,013,718 to the pay roll as of 1917.

GERMANS MAKES AN ATTACK

THE ONSLAUGHT MAY DEVELOP LARGER PROPORTIONS IN THIS SECTOR.

London, May 8.—"After a heavy bombardment on a wide front in Flanders the German infantry this morning launched an attack south of Dickebusch Lake, which lies between Ypres and Kemmel," says Reuters correspondent at British headquarters.

"The attack apparently was only a diversionary strength, but it may develop larger proportions. The enemy seems to have penetrated our front line between the Lake and Ridge Wood, and some parties of Germans are reported in the eastern wood itself. The fighting continues in fine weather and under good visibility."

"We still hold the major part of the wood and also Kleine Vierstraat. The technical objective of enemy operation seems to be an attempt to clear the way for a thrust toward Scherpenberg from the northeast, and it may prove to be the beginning of further fierce fighting in this region."

May Be Prelude to Big Offensive.

What possibly may prove to be the prelude to the long expected resumption of hostilities by the Germans on the western front is being played.

Southeast of Ypres, from the region of Voormezele to La Clyette the Germans have launched an attack against the British and French troops holding the line and at certain points over the five-mile battle front they have penetrated front line trenches. Apparently, however, over the greater part of the field of combat they met with repulse.

As is usual, the enemy began the attack after a heavy preliminary bombardment. The ground gained is south of Dickebusch Lake and in Ridge Wood, around which places hard fighting was continuing at last accounts.

AMERICANS ATTACKED BY GERMAN GAS ASSAULT.

With the American Army Forces on the French Front, May 7.—The Germans launched a heavy gas attack against the American troops on the Picardy front during the night. Early in the evening they sent over 15,000 shells composed chiefly of mustard gas, within a brief period. These shells were followed by an intense artillery fire at midnight, several hundred gas shells were dropped into the American lines.

Enemy airplanes appeared over the American lines about the same time. Anti-aircraft guns brought down one German machine and damaged another. The extreme activity of the artillery and aviators, the rifle fire and night flares and the reported movements behind the enemy lines in this sector may forecast a new attack, but General Pershing's men are ready for any emergency. They are countering the enemy preparations blow for blow, keeping up a harassing artillery, rifle and machine gun fire and are actively patrolling.

The spirit of the Americans is excellent. They are eager to fight and a typical expression is, "Let Fritz start something. He'll get all that is coming to him."

A young French captain who trained the men now in the Picardy lines, told the Associated Press today he never had seen finer material.

"All are of one mind," he said, "to fight fast and hard and to finish the war quickly."

Another Loan to Great Britain.

Washington, May 8.—An additional credit of \$75,000,000 was extended to Great Britain by the treasury today, bringing the total of American loans to that nation to \$2,795,000,000 and the total of credits to all co-belligerents to \$5,368,850,000.

Not Ready to Consider Suffrage.

Washington, May 7.—By a margin of one vote, a motion proposing that the senate proceed next Friday to consider the house woman suffrage resolution to the constitution was defeated in the senate today. The vote was 40 to 21, just one less than the necessary two-thirds.

AMERICANS IN FIERCE BATTLES IN THE AIR.

With the American Army in France, May 7.—Four more aerial battles were reported today by American airmen flying in the sector northwest of Toul. All of the combats were indecisive, although one of the American machines returned with bullet holes in its wings and two others with holes torn by fragments of shells from anti-aircraft guns. How the Germans fared is not known.

The first report was from the pilot of a pursuit airplane who encountered the enemy over the lines at a height of 5,000 meters. The pair fought a duel for several minutes, the German finally turning quickly and, running into the direct line of the sun in his homeward way, getting clear.

Later one of the American photographic machines was attacked by two enemy airplanes. The American observer emptied one of his guns into one of the enemy machines. Then the American pilot exercised discretion and turned homeward. The Germans remained in pursuit until the American anti-aircraft guns picked them up. Then they turned and went home. The American airplane circled once or twice and then went back over the lines and calmly resumed the photographic operations where they had been left off.

Another report now available relates a somewhat similar action, except that this time three of the enemy attacked two of our machines, which were working with our artillery.

In the fourth engagement, a German sailed up in the direction of one of the American photographic planes, but one of the fast American fighting machines rushed in, caused the German to turn tail and flee toward home. The German anti-aircraft pieces got busy at the same time and broke out numerous "flower pots" or, as the British airmen call them, "dying onions." This is an "archie" shell which, when it bursts, throws out in all directions smaller projectiles, each of which also bursts.

AMERICAN PRISONERS ARE SHAMEFULLY TREATED.

With the American Army in France, May 7.—American prisoners of war are being shamefully treated in German prison camps if all have had the experience of an American interviewed by a French soldier, also a prisoner in Germany, just before he escaped. The Frenchman's story, as told to American officers, follows: "A shot time before I left Hameln, Hanover, I was able to have a few minutes interview with an American soldier who was taken prisoner several months ago on the French front. Being unwounded, he was assigned directly to a prison camp. Weakened by excessive work, he was forced to go in the sale mine, and, being unable to stay longer, he was sent to Hameln."

"I do not remember the name of the man or the number of his regiment, but he had been among the first Americans in the trenches and his home was in New York. He told me that during the three months he was in the Harz mines he had lost 33 pounds. He was a man who was solidly built and it could be easily seen that he had been vigorous and healthy but when I saw him he was incredibly thin and so weak that he could hardly cross a room without stopping repeatedly, leaning on pieces of furniture or supporting himself on boxes piled there."

"Englishmen also are being badly treated in the mines. I found out that three of seven who were sent back to Hameln died."

Was Only Joking.

High Point, May 7.—Commissioner W. G. Brown this afternoon turned loose John Sheehan, the white man who witnesses swore had said "there was yet enough Germans left to whip Wilson and his crowd;" that the "liberty bond campaign was a money making scheme" and that those who had entered the army from the draft were fools, etc. Sheehan said he was joking, but the witnesses apparently did not think so.

R. G. Campbell, of Hope Mills, was here this week on business. He formerly lived at Friendship.

WILL BUILD A POWER LINE

GIBSONVILLE MILLING COMPANY SECURES PRIVILEGE FROM COMMISSIONERS.

The Gibsonville Milling Company Tuesday obtained from the board of county commissioners a franchise for the construction, maintenance and use of an electric power line along the road from Summers mill, by Frieden's church, to Gibsonville. The company may also put telephone wires upon the poles they will erect. This permission was obtained with a view of developing the water power at Summers mill and furnishing power to Gibsonville flour mills and probably other enterprises.

The commissioners visited the new court house now under construction. They found the work progressing rapidly. The corner stone will be laid May 11.

The board drew a list of jurors for the week of Superior court June 17. The men drawn were J. A. Boone, J. F. Perrett, D. A. May, Alfred Apple, J. P. Browning, John R. Jones, A. O. Rudd, O. A. Johnson, W. A. Aydelette, A. C. Holt, J. E. Kirkman, M. E. Taylor, J. B. Lineberry, W. H. Elliott, R. G. Hiatt, William W. Wolfe, J. B. Smith, H. M. Crutchfield, R. O. Horney, W. M. Vaunkhn, E. G. Welborn, Gurney S. Younts, J. P. Perdue and J. G. Hayworth.

High Point property owners asked for some road changes and advertisements were ordered by the board. The petitioners in one case wanted the road leading from Albertson's place on the old Lexington road to be run east to the public road at Amos Ragan's farm, over the lands of Albertson, Miss Dora Richardson and C. C. Robbins. Mr. Robbins agreed to do all the work necessary for the sum of \$10. The road as used now would be discontinued.

To fill the vacancy caused by the death of A. J. Lambeth, the county commissioners named F. L. Lambeth as registrar of vital statistics for the township of Madison.

Two applications were made to the board for renewal of licenses for pool rooms. Where these establishments are in the county, outside incorporated towns, the procedure of the board is to advertise the petition for their license 10 days and act upon it at the following meeting of the commission. J. H. Medlin wants to continue to run a pool room at McAdoo Heights; and C. M. Webster has the same desire in respect to White Oak. The commissioners did not raise the point of denial of renewed license and unless there is objection from others these licenses probably will be granted.

Piled up outside the assembly room of the board were four whiskey stills, captured by members of the sheriff's force during the past week. The board paid \$20 each for the capture of these outfits, and they are destroyed. Some of the apparatus supplied was not good and the commissioners shaved the price.

W. C. Tucker met with the board for the first time in several months. Mr. Tucker spent a great while in Baltimore, undergoing treatment. His general health is good now and he appears in fine shape, although the amputation of his left foot was necessary. His associates welcome him back warmly.

Transmutation of the old workhouse property east of town into an institution for the reformation of boy offenders against the law is favored by J. A. Rankin, a member of the board.

Mr. Rankin suggested a reformatory along fine, modern lines. He would have some capable man in charge of the boys and would like to see a sort of colony government developed whereunder the youths would become good citizens. The enclosed land which heretofore has been worked by the offenders sentenced to the place, could be made into a model farm and the boys could be used to cultivate it, with the main objective kept in view always—that being the improvement of the character of the inmates.

Hottest May 6 on Record.

New York, May 6.—Today is the hottest May 6 in the history of the city's weather bureau at mid-afternoon, the official thermometer registering 84, breaking by four degrees the record established in May 6, 1896.

JURORS DRAWN FOR THE JUNE TERM U. S. COURT.

With a docket which so far has few cases of general public interest, the District court of the United States is to be held here the first week in June. The jurors for the term were drawn Tuesday, the men having been drawn from various counties of the district.

Included in the trials set for June is that of the Russian Pole who was arrested in High Point on the charge of conspiracy to destroy a factory in which munitions of war were being manufactured. His plot was to encompass the destruction of the Giant Furniture Company, of High Point, which is making airplane propeller blades, according to the charge. He was given a preliminary hearing before the United States commissioner in High Point, and is in jail here now, being unable to give a bond of \$5,000.

Jurors drawn are as follows:
W. M. Wood, Rockford, R. F. D. Joseph Doub, Vienna.
Richard Freeman, Dobson, R. F. D. T. M. Blaylock, Kernersville.

DR. RIEVES SUBMITS REPORT AS CITY PHYSICIAN.

The report of Dr. J. T. Rieves, the city physician, of dangerous diseases and of some of the work he has done during April has been made to J. Henry Phipps, the commissioner of public safety.

There are 18 cases of communicable diseases in the city. One of these is a diphtheria case; 15 are measles and two are tuberculosis cases.

During the month Dr. Rieves examined 34 school children. He made 96 charity visits at his office and 35 in the homes of patients. His visits to St. Leo's hospital were 15. He went to the city convict camp to see patients four times, and prescribed for 18 convicts.

Dr. Rieves reported the vital statistics for April. The births reported were 18, while the deaths were 33, a very poor showing for the 30 days. There were eight white births and 10 negro births reported; while the white deaths were 14 as against 10 deaths of negroes.

New Crop Irish Potatoes.

W. M. Moore brought to the Dispatch office the first of the week several well developed Irish potatoes which he gathered from his patch. He has about one acre planted from which he hopes to get at least 20 barrels. His potatoes were not damaged by the recent cold weather and he will have potatoes for sale the first of the week.—Dunn Dispatch.

FEAR AMERICA'S STRENGTH

THIS IS SAID TO BE ONE REASON WHY GERMANS CAN'T WAIT LONGER.

On the French front in France, May 7.—The opinion is virtually unanimous that the further great blow which the German staff must deliver if it intends to try to execute the promises made to the German nation when the offensive was started, must come soon. The activity of the enemy along the Ypres sector is possibly a prelude to the opening of a new German offensive there or is intended to distract attention from a formidable attack elsewhere.

There is, indeed, a widespread belief that the next move must come from the German armies concentrated under Gen. Von Below fronting the Somme. Some of its divisions were moved from other German armies to attacks to the north and the south, but these have since been repulsed by others and the force gathered there is very powerful. From Amiens, in the unlikely event of a German success, it could turn either toward the coast or toward Amiens, but it appears most likely that the more northerly operation would be chosen in an attempt to separate the main French and British forces. The continued bombardment of Amiens is possibly merely a blind to cover the preparation of this scheme.

Since the breakdown, however, of the first German rush by the heroic stand of the French and British troops, the allies have had time to strengthen their positions in order to meet any fresh onslaught. The only command which fused all the allied armies into one and the losses suffered by the enemy without the achievement of any success, which counts, seem to have caused the Germans to hesitate, but it is impossible for them to content themselves with the present position which are of the most unfavorable character and defensive tactics.

Another factor in compelling them to seek a rapid decision is the increasing strength of the American forces, disclosed in the present deluge of German propaganda decrying the American effort. These forces they foresee become a powerful instrument in crushing about their defeat before they are certain to seek peace before the trans-Atlantic becomes formidable.

United States Means Business. The Germans are fully aware that America's intention to throw her whole energy into the common cause of winning the war, and their attempts to belittle American help to the allies they are wide awake to the dangers to themselves.

Million American Soldiers in France.

Washington, May 8.—More than a million American soldiers have been sent to France. Secretary of War today authorized the statement that his forecast to Congress in January that 500,000 troops would be dispatched to France early in the present year had now been surpassed.

Bandits Slay Family.

Eagle Pass, Texas, May 7.—Mexican bandits murdered the entire family of Frederick Hillcoat, at La Madera, in Santa Rosa mountains, near Murquiza, Mexico, about 250 miles south of Eagle Pass, according to a telegram received here today. Besides Hillcoat, his wife and son and sister-in-law were killed.

FIXING POSTAGE RATES

BY AIRPLANE SERVICE.

Washington, May 7.—A bill authorizing the postoffice department to charge not in excess of 24 cents an ounce or fraction thereof for the transportation of mail by airplane was adopted today by the senate. The measure now goes to the house.

The postoffice department announced today that the airplane mail service between Washington, Philadelphia and New York would be started May 15 as planned. Military airplanes for the service are being assembled at Mineola, N. Y. As experiments will be made in dropping mail sacks while the airplanes are in motion, mail for the present will be confined to letters but for the initial trip May 15 sealed parcels will be accepted.

During the early stages of the service no attempt will be made to dispatch airplanes on days when rain fog will obstruct the vision of the aviator. On such days mail will be displaced by courier in trains and given special delivery service.

CIVIL WAR PENSION BILL

IS PASSED BY THE HOUSE.

Washington, May 7.—The Sherwood bill granting a minimum pension of \$25 a month to Civil war veterans was passed by the house today and now goes to the senate.

The house also passed a bill to restore the pension status of widows of Civil war veterans who married after the death of their soldier husbands and who were inadvertently deprived of their pension rights under an act of 1916. It now goes to the senate.

Graduated payments from \$25 to \$39 a month according to age and length of service are provided, making an increase of about 50 per cent for short term soldiers and about 30 per cent for long term. It would not apply to any having an income of \$1,000 a year or more, or to those in soldiers' homes.

PRESIDENT WILSON PAYS

WAR TAX AT A CIRCUS.

Washington, May 7.—President Wilson, munching peanuts at the Barnum and Bailey circus here tonight, discovered that although the president of the United States may enter a circus tent by the backway, he is still subject to a war tax.

The president and Mrs. Wilson were admitted to the tent by the rear entrance. According to the press agent, they must have forgotten about the war tax on their tickets. At any rate, the president was barely seated before an attendant went by the secret service and said: "Beg pardon, Mr. President, but I will have to collect from you for the war tax."

"How much?" asked the president.

"Fifteen cents," said the circus man.

"Keep the change," said the president, handing the circus man either a quarter or a half dollar.

"I'm not permitted," said the circus collector, and he handed back the change.

Whereupon the president pocketed it and went back to eating peanuts.

Two Women Spies Executed.

Nantes, France, May 6.—Two women spies, Josephine Alvarez and Victorine Faucher, condemned to death by courtmartial January 25, were executed this morning.

Pick up the plow where it stands in the furrow—patriotism is the practical doing of the next job.

PICKED CHINESE TROOPS

ON WAY TO THE FRONT.

From an Atlantic Port, May 7.—Forty thousand Chinese troops—the flower of the regular army—will arrive on the western front early in June, according to Captain C. C. Chen, of the Chinese army, who has arrived from France. "Our fighting men—forty thousand of them—are picked from the crack regiments of China's regular army," Captain Chen declared. "They are now en route to France via the Mediterranean and will arrive on the front early in June."

General Tung, former chief of staff of the Chinese army, and General Chen are now in Paris awaiting their arrival. Captain Chen stated. If Germany wins the war it will be over before winter, Captain Chen predicted. If she fails to win this year her chances are lost, but it will take the allies four or five years to defeat her. Man power alone will determine victory, and at present Germany predominates on the battle fronts, Chen stated.

KAISER BOASTS OF "GREAT SUCCESSES."

Amsterdam, May 7.—"The last few months have brought us successes which will materially influence the world's development in the next few decades," says a telegram sent by Emperor William in reply to an address of homage from a convention of German chambers of commerce. "They insure our right to a strong peace, which will open new regions to German commerce and give us complete freedom for the development of our industries. Our sacrifices of blood and treasure shall not be made in vain."

Field Marshal von Hindenburg also sent a message saying: "If all the German people stand united a peace will be won which will assure fresh prosperity for commerce and industry."

SCHOOL BOND ELECTION.

Whitsett Special Tax School District.

A petition having been presented to the Board of County Commissioners signed by one-fourth of the freeholders of the Whitsett Special Tax School District asking that an election be held to ascertain the will of the people within the said special tax school district whether bonds to an amount of Ten thousand Dollars (\$10,000) shall be issued and sold and a special tax levied to pay the interest on said bonds and to pay the said bonds at maturity, as provided in Chapter 480 Public Local Laws of North Carolina, session 1913, as amended by the acts of the General Assembly session 1915, and entitled, "An act to authorize any school district in Guilford county to issue bonds for permanent improvement to school buildings, and furnishing the same with suitable equipment," and the petition having been endorsed by the County Board of Education of Guilford County, a new registration is hereby ordered for the said election, and the election is ordered to be held at J. W. Taylor's store, at Whitsett, N. C., on Saturday, May 11, 1918.

J. H. Joyner is hereby appointed registrar, and Joe W. Barber and J. W. Taylor are appointed poll holders for the said election.

In accordance with the said act, those favoring the issuance and sale of the said bonds and the tax herein provided for shall vote a ballot on which shall be written or printed the words "For School Bonds" and those opposed shall vote a ballot on which shall be written or printed the words "Against School Bonds."

It is further ordered that the registration books for said election shall be open from Thursday, April 4, 1918, to Saturday, April 27, 1918.

By order of the Board of County Commissioners, this 2nd day of April, 1918.

"Put Me Down for 100 Of These Cultivators"

said a Nebraska implement dealer after putting a new leverless cultivator "through its paces." He had just demonstrated the machine to five leading farmers, every one of whom ordered one or more of the cultivators for spring. The cultivator we are talking about is

B. F. Avery & Sons Leverless

The radical improvement that distinguishes the Avery from other leverless cultivators is that it combines in one machine the leverless feature with a pivot pole and lateral shifting arch.

The seat bar pivots horizontally as well as vertically, so the vertical movement of the gangs is controlled by the vertical movement of the seat and the horizontal movement of the gangs by the horizontal shifting of the seat.

The operator's weight balances the gangs in such a way that one gang can be

raised absolutely independently of the other. When you want to clear one gang of trash, you simply release the foot pressure on that gang and it rises automatically without in the least disturbing the other gang.

On a side hill the operator's weight causes the seat bar to angle down hill. This gives the wheels and gangs a corresponding angle up hill, thus overcoming the tendency to work away from the row.

We can't describe on paper the wonderfully easy action of this cultivator, so come in and see for yourself.

The Kernersville Roller Mill has tendered the government a car load of flour for export to the expeditionary forces in France. From the farms in that section the mill secured wheat in five and ten bushel lots from which the flour for the soldier boys was made.

We have put our boys in uniform and sent them across. We should put our dollars in uniform also and send them across. The best uniform for our dollars and cents is the thrift card, and the war savings certificate. When in this shape, they not only follow the flag, but they make the flag safe wherever it goes.

Yvette Guilbert, the French actress, started to strip for the third liberty loan in a Salt Lake theater the other night. The cap she wore brought \$2,000 for bonds; her apron brought \$500; her handkerchief \$2,000; her brocade \$1,000. Then she became enthusiastic and pulled off her skirt. After three waves above her head it went to C. F. Moore, of Salt Lake City, for \$1,000—then she quit.

Before the postoffice in Sparta, which is also a store, stopped a yoke of oxen driven to a wagon, one morning last week. The driver was a little man about thirty years old. His name was John Tolliver, and was a Union Baptist preacher. He hopped from his seat on the wagon and approached Colonel Hackler, the merchant-postmaster, saying that he had two hams there in his wagon which if he could sell he would buy war savings stamps with the cash. He said further that he couldn't go fight but that he wanted to help win this war, and that this was his only way. Colonel Hackler bought his hams for cash and sold him war savings stamps to the amount of the proceeds. The little preacher was surprised and pleased to find that stamps that cost only \$4.15 now would be worth \$5 in 1923, and that he had this opportunity of helping to win the war. On leaving he said incidentally and not for effect, "Now I am going back and borrow money to buy me another pig that I may buy more war savings stamps in the fall." This man ekes out a simple living by farming during the week and preaching to a little mountain congregation on Sunday. He is a brother in spirit of the Methodist minister at Old Fort who owns the liberty cow for the purpose of buying thrift and war savings stamps.

Why Shoes Are So High.
The federal trade commission in a report to Congress finds the packers guilty of at least a part of the responsibility for the high price of shoes.

The commission says that the packers hoard hides and, thus controlling the market, extort extravagant profits on their holdings.

The commission points out that slaughtering of cattle and calves in the United States increased during the last five years by 5,100,000 head, or virtually thirty per cent.

"Such a record of food animals ought not at the same time to mean that the country should be forced to pay abnormally high prices for leather products made from the correspondingly increased take-off of hides," the report declares.

Activities such as that indicated above are what causes the people to have confidence in the trade commission. That body is finding out "how come" exorbitant prices.

If Congress would stop investigating hardworked public officials long enough to give careful consideration to the trade commission, the people would benefit more substantially from the work of their chief legislative body.

The fault is not with the trade commission. That is a government agency which is proving its efficiency. It is unearthing the facts as to who are robbing the people.—Raleigh News and Observer.

Berry Crop Inquiry.
Some of the best informed berry buyers and growers estimate the loss to the strawberry growers in this county as a result of the floods of last week to be not less than one hundred thousand dollars. One berry grower said Tuesday that his loss in berries would amount to one thousand dollars. He has only 10 acres in plants.—Whiteville News-Reporter.

NEIGHBORHOOD NEWS

SUMMERFIELD.
Miss Sue Williams, of Stonesville, made a business trip to the village last week.

The farmers are very much benefited with their work this spring on account of the continuous rains.

Mr. Will Rhodes, of Greensboro, spent last Sunday here with his family.

Miss Jessie Ford and Miss Margaret Rankin, of Greensboro, spent the weekend at Mrs. Mrs. Ford's recently.

The commencement exercises here were enjoyed by large crowds, both day and night. The first program was by the music and expression.

Friday night, April 26, at 8.30, the girls contest was on Saturday.

and was very good. Miss Besse Baker won the medal. Sunday morning at 2 o'clock a large audience gathered in the auditorium to hear E. L. Bain, D. D., of West Street Methodist church, Greensboro, preach the annual sermon.

Monday night, April 29, the primary and intermediate grades of their exercises which were ended thoroughly. Tuesday night classes exercises were held by the graduates of this year. Miss Helen Robinson gave the class history.

Miss Virginia Ayers the statistician of the class; Miss Louise Winsor was the class prophet; Miss Annie Pugh read the class will and her Winchester delivered the address. Following the class exercises a very good play was given.

The class, "The Man From Brant," which was very much enjoyed. Tuesday was commencement day.

At 10.30 A. M. the boys held their contest, and Dean Trogdon won the medal. After this contest Prof. W. Jackson, of the State Normal College, Greensboro, delivered a patriotic address on the war. At the address Prof. T. R. R. delivered the diplomas to the graduates. After this, dinner was served on a ground which feature was very enjoyed. Wednesday at 8 P. M. was the annual play, "Tells His Her Bit." This was given by the school children.

It was very patriotic in Mrs. (Miss Paula Byrd) to give her grown son to the war. This was decidedly the best play we have had and it was very appropriate as all are feeling the effect of the war.

The school children quite a success and they have done their best to make this school a success. One thing they will decide for themselves again another thing is to go to their homes to help to the war.

Friday, to Marion; Miss Phifer, to Marion; Miss Walker to Reidsville. All remain here for the interest of the war.

Mr. Johnson and family, of Greensboro, were here visiting.

Mr. and Mrs. and brother of Guilford College, were here for the annual sermon last week.

Mr. and Mrs. Bennett and Miss Simpson of Stokesdale, visited here last week.

Frank Winfrey, who has been some time, is not improving and is sorry to say. Mr. Winfrey is very critical and not expected to live.

BRICK CHURCH.

This clear weather is giving farmers a chance to plant corn and they are at it soon and late. Wheat is looking fine.

Mrs. Alex May, an aged lady of this community, died April 29 and was buried at Brick church the following day. Funeral service was conducted by Rev. Klinger.

Mr. C. F. Shaw, from Burlington, visited in the neighborhood Sunday evening, and spent a while at his father's, Mr. J. C. Shaw's.

Mr. E. C. Noah spent Sunday at Mrs. Jacob Clapp's.

Mrs. J. F. R. Clapp, who has been quite sick for some time, does not show much improvement.

Mr. M. N. Greason is also on the list this week.

Mr. Roy Shepherd, from near Whitsett, visited at Mr. D. L. Huffman's Sunday evening.

Mr. C. D. Clapp and others, of this community, attended Whitsett commencement and report a pleasant time.

Mr. R. L. Clapp has moved into his new house that he recently built near Low's church.

The old Huffman mill near this place is doing a lot of work now under the present manager, Mr. O. M. Noah.

TABERNACLE.

The health of this community is very good at this writing.

Farmers are very busy planting their crops through this section.

We are glad to learn that Mrs. John P. Coble, who has been sick for some time, is improving.

We are glad to know that Mr. Melvin Garner is able to be out again.

We are glad to learn that Miss Lucy Hardin has improved. She was able to be out Sunday at this place to talk to the children of this community.

Mrs. C. F. Coble visited Mrs. C. F. Sizemore recently.

Mr. I. L. Trogdon and daughter were visitors at Mrs. John P. Coble's Sunday evening.

Our Sunday school is still advancing.

Rev. Mr. Milloway filled his regular appointment Sunday and preached a very interesting sermon on "Faithfulness."

Mr. H. L. Coble and family, of Greensboro, spent Sunday with his mother.

Mr. Clyde Rankin was a welcome caller at Mrs. John P. Coble's recently.

COMMENCEMENT AT JAMESTOWN NOW BEING HELD.

E. J. Coltrane, principal of the Jamestown high school in this county, yesterday announced his commencement program, which opens today. The address will be delivered by Dr. John A. Lesh, of the State Normal College.

The events of the commencement will come in the following order: Girls' recitation contest Thursday night at 8.30 o'clock.

Commencement address by Dr. J. A. Lesh, of the State Normal College, Friday morning at 10.30 o'clock. Other graduating exercises, including the presentation of certificates to seventh grade graduates, will occur at that meeting.

Friday night at 8.30 o'clock two short plays, "On to Victory," and "The Slacker," will be presented, closing the program.

Rev. Melton Clark, formerly pastor of the First Presbyterian church here, now pastor of a Charleston, S. C., church, was in the city this week.

THE PATRIOT'S BUSY FRIENDS

—Mr. A. Schiffman has three important notices in another column, regarding the redemption of real estate sold for taxes.

—Mr. W. C. Boren, chairman of the board of county commissioners, has three important road notices for High Point township, in another column today.

—Notice is given that application will be made to Governor Bickett for a pardon for J. W. Rodgers, now serving a term on the Guilford roads. See notice elsewhere.

—Mrs. Mary H. Underwood has qualified as administratrix of the estate of the late William I. Underwood, before M. W. Gant, clerk of the Superior court, a notice of which will be found in another column today.

—Commissioner C. C. Frazier advertises in another column today a re-sale of the property in the special proceedings entitled J. E. Kirkman et al, vs. Florence Cox et al, on Saturday, May 25, at public auction in front of the court house.

—Every farmer expects to make a good crop this year. Then why not protect that crop against damage by hail by taking out a policy with the Guilford Insurance and Realty Company in the Home Insurance Company, of New York. See ad. in another part of The Patriot today.

—Messrs. Coble & Mebane, the one price shoemen, are offering our readers a choice line of summer shoes at prices that cannot be duplicated. Here you will find all kinds of footwear for every member of the family—always of the best quality. See their new ad. on the fifth page today.

—How about that new summer suit? Bought it yet? If not, don't do it until you have seen the handsome line of men and boys' clothing, shoes and hats down at Johnson, Hinkle & Co.'s. These gentlemen have something extra good to offer you, and at a price that will make you glad. See their notices in the bargain column today.

—There is a great demand for office help on account of the war, and President McClung, of the Greensboro Commercial School, is doing his part to supply it. Graduates are being placed in good positions even before they complete the full courses. Write him for catalogue and special summer rates as soon as you read his announcement elsewhere in today's Patriot.

—The farmers are doing their bit to win this war by producing every pound of food stuffs possible. This is just as important as fighting in the trenches, although not so risky. The Rhodes Clothing Company are trying to do their bit by supplying these farmers with the best clothing at the lowest prices. You must have good, substantial clothes for rough field work. The Messrs. Rhodes have it of the Hart Schaffner & Marx make. Read their enlarged announcement on the second page today.

—Did you ever wear white shoes? Well, they are mighty dressy, comfortable and economical. Messrs. Thacker & Brockmann have a fine line to offer you at very reasonable prices. In footwear these gentlemen carry in stock about every style and make of good, stylish shoes for men, women, girls, boys and infants. It doesn't matter what your taste in color is you can find it here. Their line of cool, comfortable shoes for the heated term is complete and ready for your inspection. See their new ad. on the eighth page today.

—There are trucks and trucks, but if you want to buy a high grade 2 1-2 ton truck for the price of a 1 1-2 ton, just call at 210 West Market street, and let Mr. C. W. Jennings show you the popular Fulton truck, which has few equals. Last week Mr. Jennings received several trucks brought through the country, the demand being so great that the railroads could not deliver them fast enough. Mr. Jennings is distributing agent for the Fulton truck in North Carolina, and has placed a large number of them in Greensboro and Guilford county. Don't buy a truck until you have investigated the merits of the Fulton. Mr. Jennings big announcement will be found on the seventh page of The Patriot today.

—The Messrs. Thomas Bros. are perhaps the busiest men in North Carolina. The demand for their services in subdividing and selling farm property has been so great that they have had very little rest for the past several months. Attention is called to a few of their sales in this section of the state in a page announcement on the sixth page today. Next Saturday they will conduct a sale of 1,054 acres on the Dan river, near Draper, in Rockingham county.

Monday they will sell the old Dillon place, six miles south of Greensboro. Tuesday they will conduct the sale of the C. A. Groome farm eight miles southwest of the city, and on Saturday, May 18, they go to Mayodan, where a large town lot sale will be conducted. These are only a few in this section—they will conduct hundreds of other sales in all parts of the country. "Greensboro is their home—but the world is their territory." If you have a farm to sell see them first.

HILLSDALE.

The farmers are very busy planting corn these days.

Misses Nettie and Mattie Scott, of Greensboro, visited their parents, Mr. and Mrs. J. A. Scott, Sunday.

Mr. and Mrs. Charlie Morgan and Mr. Dave Morgan, of Greensboro, visited in this vicinity Sunday.

Miss Flay Florence spent a few days recently with Miss Annie Dillard.

Rev. A. Sherrill filled his regular appointment at Center Sunday.

Mrs. Mattie J. Clapp is spending some time with her son, Mr. C. N. Clapp.

Mr. Joe Mathis and family visited at Mr. M. Brown's Sunday.

MR. FARMER!

If you never saw a "JANEVILLE" Double Row 2-Horse CORN PLANTER in action, you've yet to see one of the most wonderful tools that human ingenuity has ever devised to help the farmer secure better results. The "JANEVILLE" does what no other planter today can do--drops 2, 3 or 4 grains to the hill, just as the soil appears to call for it. Think what the one exclusive "Janesville" feature means in the way of a more even growth and better crops.

And besides this, the "Janesville" will do all any other planter will do. It will hill or drill, drop grains edgeway or flat. There is no possibility of mixing hills with this planter. It is absolutely accurate in checking, too. Uneven travel of the team has no effect in producing imperfect checking. Go slow, go fast--it makes no difference, as it is an absolute impossibility, with the sliding plunger valves, to mix the hills or dribble the corn between them.

Above are only a few of the many good features of the "Janesville" Corn Planter, and you must see it to appreciate them all. Come in and let us show you this wonderful Planter and explain how it does such satisfactory work--how it will be a veritable money-maker for you.

**AT GROOMETOWN,
Eight Miles Southwest of Greensboro,**

The Old Dillon Place.

**Six Miles South of Greensboro,
ON THE PLEASANT GARDEN ROAD,
AT AUCTION**

Monday, May 13th, 11 A. M.

This Farm of 65 acres, now owned by Mr. John Lane, is two and a half miles northeast of Pleasant Garden. There are 15 acres in timber, about four acres in meadow land; and the balance of rich black sandy land, is under cultivation. It is ideal for the growing of tobacco, corn or wheat, is well watered and has a well in the yard.

There is a 6-room, two-story house, good barn, tobacco barn and mill house on the place.

The mill machinery, consisting of one set of burrs, wheat cleaner, shafting, etc., will be sold at auction separately.

This will be one of the most important sales of farm property held in Guilford county to date, and we advise you to drop less important business and be present.

THOMAS BROTHERS

TO BE SOLD AT AUCTION,

The Holbrook Farm,

**A 1,054 Acres on the Dan River,
400 Acres Bottom Land,**

Saturday, May 11, 10.30 A.M.

This is the best class of residence property to be found in Mayodan, being situated only two blocks from the center of the city, and four blocks from the graded school. It will be sold on very easy terms, and with absolutely no restriction as to price. The "last dollar" will get it.

Mayodan is a fast growing town, the center of some of the section's biggest manufacturing enterprises; and the value of property is continually advancing. Business is good, and the man who buys now can realize big profits on his investment.

This rich Rockingham county Farm, near Draper, N. C., will be sub-divided into Tracts of from 25 to 75 acres.

Nothing bigger or better in high class farm property at auction has ever been offered in North Carolina. More could not be said of it. You'll make a mistake if you are interested and don't attend this sale.

Mr. McKay Byrd, from Lumberton, plant an acre in government, to be used for the purpose it can help during the war. Mr. Byrd thinks that if ever there is a war that it would be a good thing to have the government planting the war.—

A 2 1/2 Ton Truck for the Price of a 1 1/2 Ton!

The Fulton one-and-a-half-ton chassis is really built to carry 4,000 pounds, including body, and is capable of a 25 per cent. addition overload. This allowance for overload gives you the best guarantee of service to be had in a motor truck, because the additional weight can be carried with assurance of perfect safety to its mechanism. It is a consideration very much worth your while.

DRIVEN FROM FACTORY CHEAPER THAN BY FREIGHT.

Last week a number of FULTONS arrived in Greensboro after being driven from the factory, Farmingdale, Long Island, N. Y. One truck was loaded on another; and the cost of delivering the two here was \$65.98, which included all expenditures of the driver going and returning—meals, lodging, garage charges, theatres, sight-seeing, etc. The cost of delivering one truck by freight is \$65.00. They can be driven through the country, therefore, at one-half the cost.

WHEATLESS BISCUITS.

DELICIOUS CORN MUFFINS.

Parched cornmeal is the feature of these excellent wheatless biscuits. First, the cornmeal—one-half a cup—is put in a shallow pan placed in the oven and stirred frequently until it is a delicate brown. The other ingredients are a teaspoon of salt, a cup of peanut butter and one and a half cups of water. Mix the peanut butter, water and salt and heat. While this mixture is hot stir in the meal which should also be hot. Beat thoroughly. The dough should be of such consistency that it can be dropped from a spoon. Bake in small cakes in an ungreased pan. This makes 16 biscuits, each of which contains one-eighth of an ounce of protein.

Here's an old fashioned recipe for corn muffins that has recently been revived and used with unusual success in several of the larger New York hotels: To make three and a half dozen muffins take one quart milk, six ounces butter substitute, twelve ounces of light syrup or honey, four eggs, pinch of salt, two ounces baking powder, one and a half pounds cornmeal and one and a half pounds rye flour. The butter and syrup should be thoroughly mixed; then add the eggs gradually. Pour in the milk and add the rye flour mixed with cornmeal and baking powder.

LOCAL NEWS IN BRIEF FORM

MATTERS OF INTEREST TO THE READERS OF THE PATRIOT FAR AND NEAR.

Funeral Directors Here.

The North Carolina Funeral Directors and Embalmers Association, which has been in session here since Tuesday, will adjourn today.

Memorial Day Exercises.

Tomorrow will be Confederate memorial day. The usual exercises will be held and dinner given for the veterans. Col. F. P. Hobgood will be the orator of the occasion.

Resigns His Pastorate.

Rev. P. H. Fleming, D. D., has resigned as pastor of the First Christian church to accept the place of superintendent of schools of Alamance county. He will probably leave the city about July 1. His successor as pastor of the local church will be called at an early date.

Death of Mrs. Bishop.

Mrs. T. A. Bishop died at her home east of town yesterday. She was 26 years of age at the time of her death and is survived by her husband, father, mother, one brother and three sisters. Funeral services were held today at Holt's chapel at 11 o'clock by Rev. Mr. Woosley. Interment was in the church cemetery.

Davis-Loman.

Miss Leona Gertrude Davis was married to William Charles Loman, of Winston-Salem, in the Forest Avenue Baptist church last night. Rev. S. C. Hillard officiating. The bride is a daughter of Mrs. Laura Lee Davis and is an attractive young woman. Mr. Loman is associated with the P. H. Hanes knitting mills in the Twin City.

Wade-Shields.

Grover J. Shields, manager of the U. S. Woolen Mills store of this city, and Miss Elizabeth Wade were married last night at 8:30 o'clock in High Point. Rev. G. T. Rowe, pastor of the Methodist church, officiating. The ceremony was witnessed by only a few friends of the contracting parties. Mr. and Mrs. Shields will make their home in Greensboro.

Two Deserters Returned.

Patrolman W. M. Iseley Monday delivered to the officials at Camp Greene, at Charlotte, two deserters, Jean Carter and Carl Parmer. These two men were captured April 30 and have been held in the city lock-up since that date. They were arrested first on the charge of stealing automobile accessories and were afterwards identified as deserters.

Few First Class Men Left.

The call of the adjutant general for 103 selectmen from local board No. 2, of Greensboro, was received Tuesday by the board. The men are to leave for Camp Jackson May 25. The first class men in the registration of Greensboro has narrowed down to 215, of those qualified for full service in the army. The call now received will reduce this number to 112.

High School Closing.

The commencement of the Normal high school will be held May 16 and 17 and invitations of the senior class and the faculty were issued yesterday. The commencement program has not been announced. The members of the class which graduates this year are Loretta Carey, Louise Fowler, Lynn Hunt, Agnes Jones, Muriel Barnes, Mildred Russell, Nell Fulton and Bessie Stokes.

Death of J. E. Mann.

James E. Mann died Tuesday morning at St. Leo's hospital following an illness of several months. Bright's disease caused his death. He was 50 years old and unmarried. The deceased was a son of the late Rev. James E. Mann, at one time pastor of West Market Street M. E. church. The funeral was held in that church yesterday morning and interment was in a cemetery at Winston-Salem.

Short Speeches in Schools.

The secretary of the treasury, W. G. McAdoo, has asked that a prize competition for short speeches be held at all schools and the speeches delivered at a meeting of the school to which parents and friends are invited. A committee determines which of the speeches in each competition is best and certificates of honor from the national government, designating the pupil or pupils as junior four minute men, for the top winners are awarded. The names of the winners are sent to Washington and are enrolled at the capitol to be used as aids to the senior four minute speakers in the public places.

Dr. Gilmer in the Race.

Dr. Charles S. Gilmer, of the Alamance section of the county, has filed notice to his candidacy for membership on the county board of education. Others have not filed, but it is understood that several of the present board will run. Friends of Dr. Gilmer are well pleased with his candidacy. They believe he will make an excellent man for the position, if he is chosen. Dr. Gilmer is a member of the rural conscription board.

Swatters Are Here.

E. P. Wharton announced that a supply of fly swatters has arrived and will be distributed. They can be secured at the following places: Thacker & Brockmann, Wills Books and Stationery Store, Fariss-Klutz drug store, Elm Street Pharmacy, Patterson Bros., and Ellis, Stone & Co.'s store. Mr. Wharton says the motto of the spring is "two swatters in every home," and the objective is the destruction of all the early flies of the season.

Injured at Crossing.

W. A. Jones, traveling salesman, of 1008 Walker avenue, was injured in an accident at Walker avenue railroad crossing Tuesday at noon. His automobile was struck by the incoming train from Mt. Airy. Mr. Jones' injuries consisted of a cut over the eye from flying glass when the windshield of his car was broken, of a bad bruise on his leg and other bruises. His condition was not serious. The automobile was damaged to a considerable extent.

Has Fishing Party

Andrew F. Brooks entertained several friends Tuesday at his lodge near Clapp's pond, in the eastern section of the county. The party had chicken stew, turtle stew, fried fish and other good food. The fish had been captured with the line and hook. About 25 men composed the party and among them were Dr. R. A. Schoonover, Dr. G. W. Norman, S. E. Hudson, Frank Brooks, P. M. Pettit, Dr. J. F. Rieves, Mr. Hanner, Walter Wharton, Walter Lindsey and J. G. Foushee.

Mr. Sneed Resigns.

William G. Sneed has offered his resignation as principal of the Pomona school, to take effect June 1. Mr. Sneed has been principal of the Pomona school for the past three years, coming here from High Point. He goes to the Railway Bonding Company, of Buffalo, N. Y., as field manager and inspector, having in charge the states of North Carolina, Virginia, West Virginia and Kentucky. Mrs. Sneed and daughter, Alma Reitzel, will make Greensboro their home as this will be Mr. Sneed's headquarters until the fall.

PERSONAL MENTION.

Mrs. S. M. Bumpass is visiting relatives in Durham.
A. M. Rankin and family, of High Point, spent Wednesday here.

Organize Red Cross Branch.

At a meeting held at the home of Mrs. A. A. Fogleman a Red Cross branch, to be known as the Alamance branch, was organized and twelve members were enrolled.

The following officers were elected: Chairman, Mrs. E. C. Murray; treasurer, Miss Jennie Gorrell; secretary, Miss Myrtle Fogleman; chairman finance committee, Miss Vera Pritchett; committee on membership and to solicit funds, Messrs Mayo and Swannie Troxler and Pearl Plunkett. This branch will have jurisdiction throughout Jefferson township, and all who see this notice are cordially invited to join as members, while any donations to the cause from patriotic purses will be gladly received by the treasurer.

Foch and the Turkey.

An American officer who has just returned from France is surprised to find people here worrying about Foch's inactivity. He says he has an army of 1,000,000, which has been indicated from other sources, and we presume is exclusive of the Italians. "When the neck of the German turkey is drawn tight, you watch General Foch," he says. "My opinion is that you're going to hear some good news within the next 10 days." We expect the German turkey to get it in the neck.—Philadelphia Record.

NOTICE OF DISSOLUTION. State of North Carolina, Department of State.

To All to Whom These Presents May Come.—Greeting: Whereas, it appears to my satisfaction by duly authenticated record of the proceedings for the voluntary dissolution thereof by the unanimous consent of all the stockholders, deposited in my office, that the Franklinville Lumber Company, a corporation of this state, whose principal office is situated at No. 103 South Mendenhall street, in the city of Greensboro, county of Guilford, state of North Carolina (C. B. Clegg being the agent therein and in charge thereof, upon whom process may be served), has complied with the requirements of Chapter 21, Revised of 1905, entitled "Corporations," pertaining to the issuing of this certificate of dissolution. Now, therefore, I, J. Bryan Grimes, secretary of state of the state of North Carolina, do hereby certify that the said corporation did, on the 2nd day of April, 1918, file in my office a duly executed and attested consent in writing to the dissolution of said corporation, executed by all the stockholders thereof, which said consent and the record of the proceedings aforesaid are now on file in my said office as provided by law.

In testimony whereof, I have hereto set my hand and affixed my official seal at Raleigh, this 2nd day of April, A. D. 1918.

J. BRYAN GRIMES, Secretary of State.

ROAD NOTICE.

A petition having been presented to the board of county commissioners at their regular meeting Tuesday, May 7, 1918, asking the board to discontinue that portion of the public road in High Point township, beginning at the residence of W. M. Robertson on the old Lexington road and running through the lands of C. C. Robbins and Mrs. Pora Richardson, to the intersection of the old Lexington road on the lands of Mrs. Dora Richardson. This is to notify all persons objecting to the granting of said petition to present their objection to the board of county commissioners at their next regular meeting on June 4, 1918.
