College Miss**A Thrift Policy**

Especially Designed for
Young Men and Women

The Pilot Thrift Endowment Life
Insurance Policy is the most
complete and comprehensive Life
Insurance Policy known. It is
ideal for young men and women;
first, because of its low premium
rate, a rate which is really inex-
pensive even to college students;
and second, because of these five
protective features:

- (1) It is a practical method of systematic saving.
- (2) It gives complete life insurance protection.
- (3) It pays an income in case of disability.
- (4) It pays double benefits for accidental death.
- (5) It provides an income for old age.

This is the policy for you and
a descriptive folder explaining
in detail the Pilot Thrift En-
dowment Policy will be mailed
upon request to —
